### Android

The instructions below were based on a Samsung Galaxy Note 5. Your phone may differ a little bit in what you actually may need to do, but the overall concept will be the same.

Use your county's link above via email click on it and you will be taken to a webpage that looks like this.

Tap on Select Files.

Tap on Documents. At this point you will be taken to your camera roll where you can select the photos or videos you want to upload.

Once you have made a selection the image/video name will populate in the upload files section.
