

4-H Project Summary

Name: _____ Club _____ Year _____ / _____

Program/Project: _____ Years in project _____ 4-H Age: _____

4-H Youth ages 8-18 can submit project summaries, due September 15 yearly. To receive a project pin for your 4-H project area, youth need 70% of the total points. *Pins are awarded once per project area* at 4-H Achievement night in November. If pin isn't won the first year 4-H youth can fill out project summary for a second or third year, to receive the pin. Must submit all years project summaries to receive the project pin. Activities in each project summary must be specific to project area except Community Service and Leadership. Please do not duplicate activities/events...use them only once.

Record your project summary in four parts: 1) Participation, 2) Project learning 3) Leadership Exhibited 4) Community Service. List experiences yearly in the project area, one summary per year. Use numbers when appropriate, include records for crops and animal projects.

Check the box when participation/project learning/leadership/community service is complete. If you did something that affects your project but is not listed, add that in the "other" category.
