### Tell us the future of farming

Farming is in a constant state of change. It's evolving with innovation in technologies. With a growing population, agriculture faces new challenges every day. With new challenges come endless opportunities to reinvent the industry. Farmfluencer is a global video competition, empowering youth and connecting them with farming. By making a 2-minute video about the future of farming, you'll get to share your point of view with the world and enter for a chance to win up to \$5,000. Deadline is April 24. Enter @ [https://www.farmfluencer.com/?utm\\_source=Kick-off&utm\\_medium=Email&utm\\_term=&utm\\_content=US\\_English&utm\\_campaign](https://www.farmfluencer.com/?utm_source=Kick-off&utm_medium=Email&utm_term=&utm_content=US_English&utm_campaign).

Each group registered will be assigned their own log cabin for lodging with single bunks. Participants must bring their own bedding and toiletries.

A fee of \$50 per person covers the complete program, lodging, boat, bait, and three buffet meals, including Saturday lunch and supper and a Sunday brunch. You'll also have fresh fish fillets to take home! Pre-registration and payment is required. ### Another opportunity to see the world

Imagine being involved in rice harvesting in Thailand, experiencing advances in dairy farming in Switzerland, cattle ranching in Argentina, or opportunities in more than 15 other countries. The celebration begins at 3 p.m. Tuesday, Aug. 13 as part of Ag Day at the fair right before the Sale of Champions activities begin. Supporters and families of the recipients are welcome to attend.

## Understanding 4-H premiums

In the past, the Illinois Department of Ag has provided funds to local Illinois 4-H members in the forms of premiums (cash prizes) for participation in 4-H shows and exhibitions. We currently have no guarantee that those funds will be provided. We treasure each of our 4-H families and know that you make a financial investment in your 4-H project work. We hope you continue to take pride in your 4-H learning and continue to participate fully in the 4-H program. As you are aware, we have no control on the actions of Illinois government.

## Be a true leader in service

Join 4-H Members and Clubs across Illinois and the nation on **Saturday, April 27** as part of **True Leaders in Service!** 4-H clubs serve their communities all year long however the month of April has been selected as a time for ALL 4-H clubs to join together to roll up their sleeves in service to local communities. This could mean helping a person or family in need doing yard work or minor home repairs, cleaning up streets or parks, planting trees or gardens, supporting your local food pantry or any other project that supports a local need.

We'd like you to register your effort on the National 4-H True Leaders in Service website prior to April 27. Here is the link to the website, [go.illinois.edu/4Hdayofservice](http://go.illinois.edu/4Hdayofservice). **The link to register your event is now OPEN. Resources to use to help in your planning are also available on the website.**

The goal of the 4-H True Leaders in Service day is to encourage 4-H members in every county to make a positive difference. Service projects can be done by individuals, by 4-H clubs, or as a countywide service project. No matter what the project is, this will be a day to make a difference. **Illinois members and/or clubs who complete the 5 steps below can claim a “national” 4-H activity on their end-of-year 4-H Experience Award Application.**

## Get your poultry tested

The Illinois Department of Agriculture is again enforcing a clear pullorum test for all 4-H and county poultry in shows lasting longer than one day. The rule was suspended in 2018 due to a shortage of antigen. Be sure to allow adequate time and consult with your local veterinarian. This rule does not apply to waterfowl that normally swim, such as ducks and geese, per the county exhibition guidelines. 4-H and FFA shows lasting only one day are also exempt.

## You be the judge at Illinois 4-H State Livestock Judging Contest

The Illinois 4-H Livestock Judging Contest will be held Monday, June 17 at the Stock Pavilion in Urbana (1402 West Pennsylvania Ave.) beginning with registration at 8:30 a.m. All participants must be checked in by 9:30. The contest will begin at 10. Each county may enter a total of three teams, with no more than two junior teams or two senior teams. Get all the rules and details online @ [go.illinois.edu/4Hlivestock](http://go.illinois.edu/4Hlivestock). There will be three classes of beef, three classes of swine and two classes of sheep. There may also be a class of meat goats substituted for one class of the other species. There will also be a class of 15 questions (5 from a beef class, 5 from a swine class and 5 from a sheep class). Cost for senior is \$10 to cover the cost of lunch. Juniors will be dismissed by lunch to get their own meals.

## Celebrate 4-H Volunteers April 7 – 13

Illinois 4-H will celebrate the more than 11,000 4-H adult volunteers supporting and guiding 4-H members during National Volunteer Week, April 7 – 13. 4-H volunteers are the caring adults who are empowering and preparing youth for success as 4-H members provide service to others and in their communities. Today's 4-H youth are engaged in diverse learning experiences where they practice skills employers want; grow and distribute food to communities in need; steward our natural resources; identify local issues and initiate positive change in local, state, national, and global issues; and they make and influence positive choices for healthy living. All of these things happen because of engaged volunteers in local communities.

In Kankakee County, there are over 100 volunteers who inspire youth involved in local 4-H programs. 4-H leaders, superintendents, assistants, judges, and committee members support 4-H youth. Thank you for your dedication to the 4-H program.

## Chaperones Needed!

Chaperones are needed to support the 2019 Illini Summer Academies held on the University of Illinois Urbana-Champaign campus June 23 – 29. The conference is a great opportunity to support and guide high school youth as they explore potential post-high school and career avenues. Chaperones do not pay a registration fee, and lodging is provided on-site in the newly remodeled dorms. Many meals are provided. Chaperones will spend some time supervising planned activities, but will also have some flexibility in their schedules while participants are engaged in campus learning experiences. If you have questions, email Pat McGlaughlin @ [patm@illinois.edu](mailto:patm@illinois.edu). Use the following link to register as a chaperone <https://web.extension.illinois.edu/registration/default.cfm?RegistrationID=20007>.

## Legislative Connection Dates

Illinois 4-H members who have completed *Speaking for Illinois 4-H* training and participated in the annual updates are invited to participate in **Legislative Connection** at the State Capitol in Springfield. There are four days in 2019: March 26 & 27 and May 8 & 9. All youth who have completed *Speaking for Illinois 4-H* training or complete one of the upcoming training opportunities will receive registration information through an email invitation.

## *Speaking for Illinois 4-H* Training Opportunities

Teens have an opportunity this spring to be trained as an Illinois 4-H spokesperson through the *Speaking for Illinois 4-H* program. *Speaking for Illinois 4-H* training is open to 4-H members who are 14 and older. Both will be all-day training experiences to prepare teens to support our local 4-H program by soliciting donors, speaking to community groups, and updating county boards or other community governing bodies about local 4-H impact. On a state level, those attending a training can register for 4-H Legislative Connection events at the State Capitol where they will tell their story to Illinois legislators. The registration cost is \$12. **The next training is Saturday, April 27** at the Logan County Extension office, 980 N. Postville Dr., Lincoln. Register online @ [go.illinois.edu/sfi4h](http://go.illinois.edu/sfi4h).
