Public Speaking Made Easy

4-H Public Speaking

focuses on supporting youth in developing and strengthening their skills and confidence to speak in front of people.

- ❖ ALL 4-H'ers and Cloverbuds will have the chance to stand up and clearly present a topic of their choice with confidence. It can be on a favorite project, recipe, or skill they are passionate about. Youth may also show up and select an improv option that will be offered.
- ❖ Food demonstrations will be allowed to utilize the professional teaching kitchen at IVCC
- ❖ This workshop will be a beneficial and rewarding experience to help members excel in public speaking.
- ❖ Youth will learn from professionals as well as their fellow 4-H members.

Immediately after the workshop, youth are encouraged to stay to watch their fellow 4-H members competing in the *LaSalle County 4-H Public Presentation* event at 2pm
