

2023 Illini Science Policy Scholar Program  
Letter of Reference

\_\_\_\_\_ is applying to be a 2023 Illini Science Policy Scholar, sponsored by University of Illinois Extension. This program matches scholars to public sector host agencies and legislative offices for a one-year appointment, connecting UIUC graduates with policy, technical, and public engagement experiences in the public sector. More information about the Illini Science Policy program may be found at: <https://extension.illinois.edu/ispp>

I am most interested in applying for an appointment with [list agencies and/or legislative offices]

Please provide a one-page for reference, detailing strengths and challenges you expect the applicant would bring to this opportunity. Email by March 8, 2022 to [uie-connection@illinois.edu](mailto:uie-connection@illinois.edu). Contact Dr. Evangeline S. Pianfetti at [esecaras@illinois.edu](mailto:esecaras@illinois.edu) if you have any questions.
