It's 'udderly' amazing

You don't need a cow. You don't need to like milk (though you should REALLY like milk). You don't need to be taking a dairy project. All you need to compete in the State 4-H Dairy Quiz Bowl Contest is a desire to do it. (You would probably do better if you study, too.) The state contest is Saturday, Feb. 23 at the Embassy Suites, East Peoria Riverfront Hotel & Conference Center, 100 Conference Center Drive, East Peoria. Check in before 11:30 a.m. The first test begins at 11:30 a.m. Contest rounds begin at 1 p.m., and the contest will be completed by 5 p.m. Participants will need to pay for their group lunch at the hotel OR you can go (with adult supervision) across the parking lot to Steak 'n Shake between noon and 1 p.m.

Register with your local Extension office before Feb. 15. Questions will cover all aspects of dairy production and marketing. Study reference sources include the Illinois 4-H dairy manuals plus *Hoard's Dairyman Reference Books*, *IL Extension Livestock E-Quiz website*, *Holstein Foundation website*, and *Virginia 4-H Dairy Quiz Bowl study materials online*.

Teams of four may compete, or individuals can be added to other groups to form a team. The State 4-H Dairy Quiz Bowl team will be selected from the eligible 4-H members participating at this state contest. Youth 15 to 18 are eligible for the national team. For information, contact Dave Fischer @ dfischer@illinois.edu or call 618-830-4957.

YES! you can!

College students can put their 4-H experience to work while they develop their professional skills in youth development, group facilitation, critical thinking, and program management as a Project Youth Extension Service (YES!) intern. Project YES! Interns provide educational activities for youth of military families. This is a 12-month internship for college juniors, seniors, and graduate students and runs June 2019 – May 2020. Interns must attend the mandatory orientation, currently scheduled for May 17-26, 2019 as well as additional training throughout the year (as required). Following orientation, interns may work 1-2 weekends a month, however interns **must commit to a minimum of one weekend per month (Fri-Sun)** for the duration of the internship. Additional opportunities may be presented during the summer months and throughout the year. Applications will be accepted through Feb. 28. Apply @ www.projectyouthextension.com.

WHAT'S NEW IN 2019

Each month, we'll feature something new about one of our 4-H project areas! Let's start with Foods!

We've added an **Innovation Class** to all of our 4-H foods nutrition projects. What does this mean? It means that whatever food project you are enrolled in, you can do something **NEW** and **DIFFERENT** and exhibit it at our 2019 4-H show! Don't worry, you can still exhibit in your regular food class if you want!

Here is the general guideline for the **Foods Innovation Class**:

Demonstrate the skills and knowledge you have gained through the project. The exhibit may include, but isn't limited to, original recipes, results of experiments not in the foods project books, variations on recipes or experimenting with unique cooking or baking methods. Your work can be displayed by a food product, demonstrations, digital presentations, performances, or posters which you have made. Choose whatever method best shows what you've learned. Your exhibit should not fit in the other exhibit options for this project. You must furnish any equipment you need for your exhibit. Internet service will not be provided for the exhibit. All exhibits must include something visual, such as a printed copy of a digital presentation, which will remain on display during the exhibition. Electronic equipment will only be used during your personal judging time and will not remain on display during the entire exhibit period. If you bring a food product, the food will NOT be tasted.

Step up on National 4-H Day of Service

4-H members do service better than everyone else! Join us for National 4-H Day of Service Saturday, April 27. The goal of National 4-H Day of Service is to encourage 4-H members in every county to make a positive difference. Service projects can be done by individuals or as an entire county 4-H program. No matter what the project, this will be a day to make a difference.

Can't make it April 27? That's okay; plan something for any day in April.

Here's how to participate:

1. Go to <https://4-h.org/get-involved/true-leaders-in-service/> and register your event.
2. Go to go.illinois.edu/4Hservice and find helpful resources.
3. Do your event and promote on social media using #thats4H and #TrueLeaders.
4. Go to go.illinois.edu/4Hservice after your event and submit a report on what you did. We'd love to see your photos, too.

Governor's Volunteer Service Awards

Think of that person that never stops helping. They are the one that always raises their hand to volunteer first! Serve Illinois is now accepting applications for the Governor's Volunteer Service Awards. There are separate divisions for youth, adult, senior, AmeriCorps, and Senior Corps volunteers. Winners will receive their awards in April in Springfield. Nominations are due February 15. Don't miss your chance to thank a person who makes a difference every day! Complete online application and paper application submission information are available at <https://www2.illinois.gov/sites/serve/Pages/Volunteer-Awards.aspx>.

Learn about the swine industry

4-H members are invited to a free workshop on February 16 at the State Fairgrounds in Springfield. The day begins at 9 a.m. with check-in. Lunch will be provided. Youth may stay and complete the YQCA training at 4 p.m. at no cost. We'll learn more later about this **NEW, REQUIRED** YQCA training which will replace Illinois' Quality Assurance and Ethics certification, but this is a great way to have fun and get your training out of the way. For more information and to register, go to ilpork.com.
