Be a true leader in service

Join 4-H Members and Clubs across Illinois and the nation on **Saturday, April 27** as part of **True Leaders in Service!** 4-H clubs serve their communities all year long however the month of April has been selected as a time for ALL 4-H clubs to join together to roll up their sleeves in service to local communities. This could mean helping a person or family in need doing yard work or minor home repairs, cleaning up streets or parks, planting trees or gardens, supporting your local food pantry or any other project that supports a local need.

We'd like you to register your effort on the National 4-H True Leaders in Service website prior to April 27. Here is the link to the website, go.illinois.edu/4Hdayofservice. **The link to register your event is now OPEN. Resources to use to help in your planning are also available on the website.**

The goal of the 4-H True Leaders in Service day is to encourage 4-H members in every county to make a positive difference. Service projects can be done by individuals, by 4-H clubs, or as a countywide service project. No matter what the project is, this will be a day to make a difference. **Illinois members and/or clubs who complete the 5 steps below can claim a "national" 4-H activity on their end-of-year 4-H Experience Award Application.**

1. **Register your event beforehand** at go.illinois.edu/4Hdayofservice through the National 4-H Council website.

3. **Promote your event on social media** using #thats4H and #TrueLeaders. Tag @illinois4H for a chance at fun prizes for your club!
4. **Complete your event** then use the link to go back to the National 4-H True Leaders in Service site to REPORT the number of youth and adults who volunteered/participated in the service project; number of hours youth and adults were involved in the service effort; and upload photos of the event in action.
5. Go to go.illinois.edu/4Hservice after your event and **submit a report on what you did.**

Please use both the National and State registration links for registration and reporting to create greater visibility for the Illinois 4-H service events! **FUN FACT** – Illinois 4-H had more True Leaders in Service activities conducted and reported than **ANY OTHER STATE in 2018!** Let's see if we can go even bigger in 2019! *If you have questions, please contact Pat McGlaughlin, patm@illinois.edu.*

Celebrate 4-H Volunteers April 7 – 13

Illinois 4-H will celebrate the more than 11,000 4-H adult volunteers supporting and guiding 4-H members during National Volunteer Week, April 7 – 13. 4-H volunteers are the caring adults who are empowering and preparing youth for success as 4-H members provide service to others and in their communities. Today's 4-H youth are engaged in diverse learning experiences where they practice skills employers want; grow and distribute food to communities in need; steward our natural resources; identify local issues and initiate positive change in local, state, national, and global issues; and they make and influence positive choices for healthy living. All of these things happen because of engaged volunteers in local communities.

Never too early to think about corn dogs!

Nearly 4,000 4-H members will return to exhibit livestock and general projects at the Illinois State Fair in August. Check out the days our county will be exhibiting at the General Project Show.

NEW IN 2019: Extension office will no longer sell parking passes in advance. Families should plan to pay for parking when they arrive. This will allow you to choose where you want to park (either at any of the private/non-profit sponsored lots to the right of the fairgrounds road or in public lots on the state fairgrounds). The change was made to make it easier for families in case flooding closes some lots. Families can still purchase discounted entry tickets in advance at SOME Extension locations. As always, livestock exhibitors must purchase their passes when they make their livestock exhibit entries.

August 12 **State Fair Exhibit day** for Adams, Boone, Brown-Schuyler, Calhoun, Carroll, Cass, Champaign, **Christian**, Cook, Ford, Franklin, Greene, Hancock, Iroquois, Jackson, **Jersey**, Lee, **Macoupin**, **Montgomery**, Morgan, Perry, Pike, Randolph, Scott, Vermilion, Whiteside, and Williamson counties.

Plant your own pollinator garden

You can receive free seed to help establish habitats for honey bees and other pollinators with the help of the GROWMARK System. Growing the number of pollinator gardens this year will help provide even more habitat for bees and other beneficial pollinator species.

Here's how:

- Find a public place and get permission to plant a pollinator garden before you apply.
- Complete the online application by April 1 @ www.bit.ly/2019GMKPollinator
- If you have questions, contact Karen Jones, kjones@growmark.com or 309-557-6184.
- You'll receive enough seed to plant a 700-square foot area. GROWMARK will provide educational signage you are asked to post.

Work for the Illinois 4-H Foundation

Applications are being accepted for an intern to work at the Illinois 4-H Foundation office from May through August on the U of I campus. Applicants will assist with event planning, database use, communicating with alumni and friends, marketing, stewardship, and other office administrative duties. Apply by March 29 by submitting a cover letter, resume, and three references to illinois4hfoundation@illinois.edu.
