

Educator Agventure Summer Agricultural Institute on June 17-18, 2024

Traveling workshops included Backwoods Berry Farm in Hettick (pictured top left), Baisch & Skinner in St. Louis (pictured top right), and Bayer Crop Science in Chesterfield, MO.

Educators from Calhoun, Greene, Macoupin, and Montgomery counties tried hands-on activities led by Lee Deal from Illinois Agriculture in the Classroom. Other presenters were Olivia Hoots from Illinois Beef Association; and Connie Niemann from Macoupin County Agricultural Literacy Program
