

Malta Mustangs May Meeting 2023

On Thursday, May 11th, the Malta Mustangs held their monthly meeting at Malta United Methodist Church. We received correspondence from the village of Malta, a thank-you for cleaning the empty lots and ponds, which was our first act of community service. We also received thanks from the Garden Club for the mulch spreading, our second act of community service. Our club balance is \$1,547.99. It was decided that our short June meeting will be held at the bee farm of Tim Benedict, who will tell us all about his bees. Members were encouraged to get tickets for the 4-H Foundation Pork Chop Drive- Thru, available at the Farm Bureau. The club that manages to sell the most tickets will get a campsite at Jonamac Orchard for a night. 12 members and 3 leaders were present at the meeting.
