ILLINOIS 4-H OUTLINES SAFETY REQUIREMENTS FOR IN-PERSON EVENTS

We're looking forward to the 2021 season! As Illinois 4-H staff plan for the 2021 show and event season, our top priority will continue to be the safety of all involved, combined with a commitment to creating positive youth development experiences for our 4-H members.

We are preparing for the possibility of returning to in-person events, based on local conditions at that time and in conjunction with current IDPH guidelines.

If current local conditions are conducive to in-person events, the opportunity for face-to-face judging for Monroe County will require that all participants, spectators, and volunteers adhere to Illinois 4-H event guidelines. We are counting on our 4-H members, their families, and our staff and volunteers to do their part to help make our upcoming events as safe as possible, whatever format they take.

The following COVID-19 social distancing and safety practices reflect requirements of the Illinois Department of Public Health and University of Illinois event guidelines. These mitigation protocols also may be modified to reflect any requirements of the local public health department based on local conditions at the time of the event.

- 1. Face coverings are required for all youth, spectators, volunteers, and staff when within the defined 4-H event space (inside or outside).**
- 2. Everyone in attendance will practice social distancing during the event, including maintaining six feet of separation (both indoors and outdoors) from those who are not in their households. To allow for social distancing, building and spectator capacity may be limited based on current public health department guidelines.**
- 3. Handwashing and sanitizing stations will be provided throughout the venue.**
- 4. Anyone who has experienced COVID-19 symptoms within the previous seven days is asked to stay home. COVID-19 symptoms include fever, cough, loss of taste or smell, or shortness of breath.**

If any of these guidelines presents a challenge for you, please contact us directly at 618-939-3434. We are happy to discuss what accommodations are possible so that we can look for ways that all youth can safely participate in this event.

As excited as we are about the possibility of stepping back into face-to-face judging, we also recognize that this is a continually evolving situation. Illinois 4-H reserves the right to adjust or cancel events in the case of identified risk, such as changes in local COVID conditions or known instances of non-compliance with safety guidelines.

We truly are stronger together. With your help, we look forward to a safe and successful summer!

LIVESTOCK TRAININGS

IF YOU ARE ENROLLED IN DAIRY CATTLE, BEEF CATTLE, SWINE, SHEEP, AND/OR GOATS:

All 4-H exhibitors of these animals will be required to certify in the **Youth for the Quality Care of Animals (YQCA) program**, by attending class taught by local veterinarians.

There will be three local options for a face-to-face training:

- ~~• April 26, 6:30pm, Monroe County Annex, 901 Illinois Ave., Waterloo~~
- May 6, 6:30pm, Monroe County Annex, 901 Illinois Ave., Waterloo

There is a **\$3 fee** to YQCA to certify *each year* if you exhibit one of the above livestock species.

TO REGISTER:

- Go to <https://yqca.learngrow.io/Account/Login>
- Choose "Sign in with 4-H Online" and Illinois 4-H Youth Development.
 - Sign into your 4-H Online account.
- Select member that is enrolled in one of the above listed livestock projects.
- Choose the appropriate age and choose "**Instructor-Led Training.**" **\$3.00.**
- Choose Illinois and then the training you wish to attend, then click on the red "Purchase Course" button.
- Training must be paid for via credit card. If this option is not available for your family, please contact the Extension office as soon as possible.
- Repeat registration process with each family member required to take the training.

If you are unable to attend one of the face-to-face trainings, you may take the YQCA training online following the same directions as above, but selecting the online training for \$12. Please contact the Extension office if this is the option you are using. Please complete by June 1.

IF YOU ARE ENROLLED IN HORSE, RABBITS, POULTRY, DOGS, AND/OR CATS:

The Quality Assurance and Ethics training is required for youth in horses, rabbits, poultry, dogs and cats.

You only need to take it once in your lifetime. Those who don't complete the training will be removed from the animal science project and will not be eligible to exhibit at county fairs.

The website is open year round @ <http://web.extension.illinois.edu/qaec/>

4-H & FFA LIVESTOCK AUCTION UPDATE

The Monroe County Extension & 4-H Education Foundation and the Youth Livestock Auction Committee are in the process of planning the 2021 Livestock Auction for local youth.

The group is exploring various options with the hope of a live auction; however, virtual plans are being considered if the need arises. One main consideration of the committee is being mindful of current economic conditions and the impact some of our local businesses have faced. We understand that some businesses and community members who have historically supported 4-H and FFA members in the past may not be in a financial position to participate in the auction this year.

With this in mind, the committee decided each youth will be limited to selling only one animal to reduce the total number of animals being auctioned this year.

If you have any questions, feedback, or concerns, please contact the Monroe County Extension office at 618-939-3434.

4-H & FFA LIVESTOCK SHOW UPDATE

We are working to plan 4-H livestock shows for the fair season taking into account COVID-19 social distancing and safety practices reflect requirements of the Illinois Department of Public Health and University of Illinois event guidelines (see page 2).

The Monroe County 4-H Showbook, including classes and show times for Livestock, will be provided to families in upcoming weeks.

Information to register to exhibit your livestock projects at shows will be provided to you as we draw closer to Show season.

NEW IN 2021: Livestock exhibitors will now be paid premiums for TWO livestock entries per class number. Previous year rules allowed for exhibition of two entries per class, however, premiums were only paid for one entry.

Jr. Hippology: Paige Koch, Julia Muertz; **Intermediate Hippology:** Shelby Bove, Sydney Woodard, Madelynn Mohr, Maya Woodard; **Sr. Hippology:** Bailey DuChene, Annika Olson

***Paige Koch** placed 5th and **Shelby Bove** placed 3rd in their respective divisions.

In Hippology, youth field a wide range of questions, ranging from breed identification, anatomy, tack identification, and feed samples to disease management, parasite identification, and quality assessment. They also are given a timed problem-solving challenge they must solve on the spot.

The Jr. Horse Bowl Team competing at the state level on April 17/18 included:

Shelby Bove, Maya Woodard, Madelynn Mohr and Sydney Woodard.

***The team placed 1st**, winning all four rounds and scoring the most points.

NATURE ADVENTURES DAY

Beautiful weather brought many families to Baebler Education Farm on April 25 for the Annual Nature Adventure Day. We know many 4-H and FFA members have worked hard on their projects throughout the year, and to honor this dedication they are announcing the second year of the Blue Ribbon Project contest.

This contest gives members the chance to showcase their projects with a photo and a short essay telling Compeer Financial how their project champions rural America. The first 1,000 submissions will get a cool t-shirt and have a chance to win a cash prize, and a donation to a group that is important to them. You can see the link for the submission process.
