2. Enter the member or volunteer's name, role, and birth date for youth. Click CONTINUE.
3. Then you will enter the requested member or volunteer personal information. Required fields are starred. When you are done with that, click NEXT.
4. Next you will read and electronically sign the 4-H participation waivers and releases. When you are done, click NEXT.
5. Then you will see a screen that asks if you are there to sign up for a club or not. If you are not participating in a club, select that option, proceed to the next screen and finalize your enrollment.
6. If you are participating in a club, you'll get a club screen where you will select your club or clubs and desired projects.
7. Start by hitting the +ADD CLUB button.
8. On the window that pops up, first select your county. This defaults to the county submitted when you created your account. You may need to select another county to find your desired club.
9. Then select your club from the drop-down list. When you select a club, you'll see a club description that will tell you more about your selected group. If you are happy with your selection, finalize it by hitting the ADD CLUB button.
10. Select +ADD PROJECT for the club selected. Select the desired project from the drop-down menu. [Learn more about all the Illinois 4-H projects here](#). Select ADD PROJECT and your selection will be added to the club. Feel free to add additional clubs or projects. If you make a mistake or wish to remove a project, select the X and confirm you wish to delete the project.
11. When done, click ADD TO CART.
12. You will be taken to the cart checkout. From that screen you can select to add additional family members or complete your enrollment and pay.
13. Once you have added all additional members or volunteers, click pay for enrollments on the main screen.
14. Enter your payment information on the cart checkout, if applicable. You can pay online with a credit card or via check at your local Extension office.

Once that is complete, your enrollments will be submitted to the county Extension office for review. Your enrollment status will be changed to "approved" upon review and receipt of payment if applicable. Once you're approved, you're ready to explore all that 4-H has to offer! Find your spark by participating in 4-H experiences and events locally, regionally, statewide, or nationally!
