4-H General and Food/Clothing Show Results

Hillsboro, Ill. — The 4-H General Show took place on June 22 at the Montgomery County Extension Office. At the 4-H General Show, many projects were exhibited by 4-H members in a variety of categories. On Tuesday, June 25 at 4PM, the 4-H Food and Clothing Show was held at the Montgomery County Extension Office. During the 4-H shows, members complete a process of evaluation called conference judging. This process allows the 4-H members to answer questions asked by the judges pertaining to the projects. The questions are asked to help the judge determine how much the 4-H member learned while doing their project. The 4-H program would like to thank the judges that judged at both shows.
