

AG IN THE CLASSROOM

MARSHALL-PUTNAM COUNTY

TAKE A PEEK!

WHAT WE HAVE DONE!

SUPER SOYBEAN:

STUDENTS GOT A BETTER UNDERSTANDING OF THE PLANT, ITS LIFE CYCLE, AND MADE A GARDEN IN A GLOVE TO WATCH AND RECORD THEIR SOYBEANS GROWTH!

SEASONAL SNACKS:

STUDENTS ENJOYED APPLES AS THEIR SEASONAL SNACK THIS MONTH! ALONG WITH TASTING 3 DIFFERENT VARIETIES OF APPLES, STUDENTS LEARNED MORE NUTRITIOUS FACTS WITH POSTERS AND A FACT SHEET!

TAKE ADVANTAGE OF OUR UPCOMING PROGRAMS!

Listed below are some upcoming events for your classrooms for the months of October, November, and December!

From seed to tree:

Students will make an apple chain demonstrating the life cycle, then taste test some different varieties.

Turkey Time

Learn how turkeys are raised and make a pinecone turkey to take home!

Whats Inisde my Pumpkins

Students will make a craft as they discover what is inside a pumpkin and how they grow!

Gifts of Gold

Students will learn the different types of corn and the by-products it gives us. Students will then make a craft.

Christmas Trees

Students will better understand the work behind a Christmas tree, feel and smell different varieties, and make a craft!

AITC Classroom Favorites:

***Available programs all year per request**

- Soil Sammy-Watch the grass grow from Sams head
- Glycerin Bubbles- Students make their own bubble mix
- Soil Particles- Mix soil and water in a mason jar and watch the three types separate! Record your results
- Terrariums- Watch plants grow and record what happens
- Pizza in the Classroom- Learn where all the ingredients in your pizza come from!
- Careers in Agriculture- Students learn all the possibilities for their future in the Ag Industry

We understand this is another strange year and rules/regulations are ever-changing. If being in your classroom with minimal contact is not an option, I can: pre-record zoom lessons, vitrual, or drop these off at your school as individual "Ag-Bags" with all the supplies needed to teach your classroom! AITC is flexible in order to meet the needs of its educators!

The University of Illinois Extension provides equal opportunities in programs and employment. If you need reasonable accommodation to participate, contact the Extension office at 815-224-0889.
