

Malta Mustangs November meeting 2022

On Thursday, November 10th, the Malta Mustangs held their monthly meeting at the Malta United Methodist Church. Our secretary, Paloma, was not present, so Vice President Bailey Quincer took the minutes. The current balance is 1,413.71. The club goals, which were discussed at the last meeting, were voted on and confirmed this meeting. Mrs Fucilla explained our club budget, and it was discussed and approved. The December holiday party was brought up, and members voted to have the party at the UMC instead of at a bowling alley. Members were also reminded that recognition night is on November 19th at the Farm Bureau building at 6pm. 11 members were present, and 3 leaders were present.
