Enrollment is Open! – It's time to enroll in 4-H Online for the new year at <https://v2.4honline.com/#/user/sign-in>. For quick tips, please click on the enrollment tab at the following website <https://extension.illinois.edu/clw/4-h-carroll-county>. An enrollment guide is attached for reference, please reach out if you need assistance.

Ordering Project Manuals – Once your enrollment is approved in 4-H Online, you will receive a confirmation email. In your confirmation email is a link to <https://go.illinois.edu/pubsrequest>. This is where you can order any project books you may need/want for the upcoming year. These requests come to me, and I will place orders on January 6th and May 6th. Your books will then be distributed to your club leaders or will be available for pick up at the office. Don't want to wait for your books? SKIP this link and order most books from shop4-H.org. Can't find your book there? Let me know, and I'll point you in the correct direction.

Feedback Opportunity – I want your feedback. Whether you are a 4-H youth, club leader, community member, volunteer, or parent, I want to hear from you. Please complete this short survey so I can develop relevant opportunities for our youth as we move into the winter season. It really is short!
