### **YOUTH FOR THE QUALITY CARE OF ANIMALS (YQCA) TRAINING MONDAY!**

The YQCA is a new livestock quality assurance program that is replacing PQA which no longer exists. It also replaces the Quality Assurance & Ethics (QAEC) program for youth in the following species; **dairy cattle, beef cattle, swine, sheep, and goats**. All 4-H exhibitors of these animals will be required to certify in the YQCA program yearly starting for the 2020 show season. Youth must either attend a face to face class or certify on-line via the website <http://yqca.org> by **May 1<sup>st</sup>**. The YQCA program is for youth ages 8-21. The online version is broken into age divisions as follows: juniors 8-11, intermediate 12-14, senior 15-18, and young adults 19-21. This certification is annual with test out options of 1-3 years. Youth exhibiting swine at the Illinois State Fair and 4-H fairs are no longer required to be PQA plus certified. The estimated cost for the face to face training will be \$3 and \$12 for the online version.

If you complete the online training, we suggest you print out two copies of the certificate of completion, maintain one for your own records, and turn one into the Extension Office.

The participants will have the choice to learn more about a Drones, Monarchs on the Move, or Rockets to the Rescue. They will also have any opportunity to explore the museum and then have a sleep-over amongst the exhibits.
