

4-H Friday Update **February 21, 2020**

If you have any questions regarding information in the Friday Update, please contact Molly Sedig, Carroll County 4-H Program Coordinator.

Snappy Crafters – The clock starts ticking as soon as we say go! Will you create a burned wood design, a nature inspired collage, or rise to the occasion with a mystery box challenge? Do all of this and more during the Snappy Crafters 4-H Cub Art Challenge at Savanna Public Library, Mondays 5:00-6:30PM, March 30th-May 4th. Leave each session inspired and with a unique and original art piece to display in your home or even at your local 4-H show! All projects will meet 4-H Show requirements in a Visual Arts Project area. Reserve your spot today at go.illinois.edu/carrollartchallenge! Ages 8-13 welcome.

Science Siesta – Please see the attached flier in regards to Science Siesta. This program is open to 100 youth each year (there are two separate dates, one for boys and one for girls) and is held overnight at the **Discovery Children’s Museum in Rockford**. It is designed to help youth explore science as well as give them the opportunity to meet real scientists working in a variety of science related careers.

We start the evening out by introducing participants to these scientists, who will talk about their jobs and what got them involved in what they do. The participants will have the choice to learn more about a Drones, Monarchs on the Move, or Rockets to the Rescue. They will also have any opportunity to explore the museum and then have a sleep-over amongst the exhibits.

Cost of this program is \$40 and includes a t-shirt, pizza for dinner, a snack, breakfast, overnight in the museum and the materials needed for many fun activities.

Summer Camp – The 2020 4-H camp flyer and application packet is ready for you to download from our website. 4-H Camp is for campers age 8-14 and will be held this year at Rock River Christian Camp in Polo, IL. The dates for camp are Monday, June 8 through Friday, June 12, 2020. We will be camping with youth from throughout nine counties in northern Illinois.

Please contact the office **before** you register, scholarships are available (Due Monday February 24th)!

The site for online registration is open and can be accessed at: go.illinois.edu/4hsummercamp.

Please be sure to download all the necessary forms, fill them out completely and submit them to the Ogle County Extension Office as soon as possible. Spots will be filled on a first-come, first-served basis!

Livestock Judging Contest – Save that date! Livestock judging will be held on Saturday, March 14th at the Carroll County Highway Department. 4-Hers can register online at go.illinois.edu/carrolljudging.

Speak up for 4-H – March 21 | 9 AM – 3 PM | Sterling

Register @ go.illinois.edu/sfi4H | Cost \$12

We're looking for 4-H members interested in spreading the great news about 4-H. If you're at least 14, you can join the *Speaking for Illinois 4-H* team.

- **Saturday, March 21** at the Whiteside County Extension Office in Sterling

The day-long training, provided by the Illinois State 4-H Youth Leadership Team, gives you the chance to explore your own 4-H history and why you are involved, then put that story into words. You'll learn the best ways to approach donors, civic groups, elected officials, and others to talk about 4-H. Once you're trained, you'll receive an invitation to be a part of our Legislative Connection events at the State Capitol.

YOUTH FOR THE QUALITY CARE OF ANIMALS (YQCA) TRAINING MONDAY!

The YQCA is a new livestock quality assurance program that is replacing PQA which no longer exists. It also replaces the Quality Assurance & Ethics (QAEC) program for youth in the following species; **dairy cattle, beef cattle, swine, sheep, and goats**. All 4-H exhibitors of these animals will be required to certify in the YQCA program yearly starting for the 2020 show season. Youth must either attend a face to face class or certify online via the website <http://yqca.org> by **May 1st**. The YQCA program is for youth ages 8-21. The online version is broken into age divisions as follows: juniors 8-11, intermediate 12-14, senior 15-18, and young adults 19-21. This certification is annual with test out options of 1-3 years. Youth exhibiting swine at the Illinois State Fair and 4-H fairs are no longer required to be PQA plus certified. The estimated cost for the face to face training will be \$3 and \$12 for the online version.

If you complete the online training, we suggest you print out two copies of the certificate of completion, maintain one for your own records, and turn one into the Extension Office.

Save the date for in person training, registration information is available in the attached "YQCA registration instructions" document:
