

University of Illinois Extension Ogle County Ogle County 4-H Foundation, NFP

Dear Friend of 4-H,

The sole purpose of the Ogle County 4-H Foundation is to support 4-H in Ogle County. 4-H focuses on positive youth development, building life skills, leadership, and community service. As we think about our youth today, we realize how important the 4-H program can be to their futures. The Ogle County 4-H Foundation is able to provide support because of your generous contributions year after year. We want to thank you for your generosity in the past and hope you can continue to support 4-H now and in the future.

4-H Ambassador Team

The Ogle County 4-H Foundation provides support in the following ways:

- ❖ Five annual four-year college scholarships to 4-Hers;
- ❖ Seven honorariums to 4-H Ambassadors recognizing their efforts to promote 4-H;
- ❖ Funding for 4-Hers to attend sponsored leadership conferences, National 4-H Congress, state and national competitions, and 4-H Camp;
- ❖ Funding for 4-H leaders to attend leadership training;
- ❖ Needs-based scholarships for families to participate in various 4-H activities;
- ❖ Annual grant to Ogle County Extension as the sponsoring organization of the 4-H program.

Each year, through our Annual Fund Campaign, we have been able to expand our level of support for Ogle County 4-Hers. Now, more than ever, it is vital that we continue to support and educate our youth with virtual programming, conferences, and online competitions. With this in mind, we ask for your donation in 2022, whether you are an individual, an organization, 4-H club, or a business!
