

SEPTEMBER NEWS

The Leaf River Soaring Eagles 4-H Club has had a busy start to their 4-H year! Last weekend the club made a bulletin board that can be viewed in the Bertolet Library in Leaf River for fall promotion. The board showcases some of the main project areas in 4-H. Also, last week was National 4-H Week. After the bulletin board was created, there was a kickoff party hosted by a family from the club. We assembled some new panels for the Animal Farm at the Ogle County Fair Grounds. Along with making the panels, the club got to enjoy a nice meal and campfire after the work was completed. Hot dogs and s'mores were served at the event. If you have any interest in joining the Ogle County 4-H program, you can contact the Ogle County Extension Office at:(815) 732-2191
