COVID-19 GUIDELINES:

Ogle County 4-H will be adhering to the following guidelines developed by the University of Illinois, Illinois 4-H, and approved by the Ogle County Health Department. Changes to these guidelines will be sent to families if Illinois reaches Phase 5 or goes back to Phase 3.

1. Families who are not comfortable with attending in person judging can request an accommodation for General Projects Judging. For this accommodation, projects will be submitted to the Ogle County Extension Office on July 14 from 8:00 – 4:30 p.m., July 15 from 8:00 a.m. – 6:30 p.m., July 21 from 8 – 4:30 p.m., July 22 from 8 – 5 p.m., or July 26 from 8 – 6 p.m. Tags and 4-H Exhibit Report must be included and the project must be ready for judging. Projects will be judged during General Projects Day by our judges and left for display during the Ogle County Fair.
2. Adhere to 50 people maximum in a defined space if in Phase 4, or 25 people maximum in a defined space in Phase 3.
3. Phase 4 Safety Protocols are as follows:
 - Face coverings are required for all youth, spectators, volunteers, and staff when within the defined 4-H event space (inside or outside).
 - Everyone in attendance will practice social distancing during the event, including maintaining six feet of separation (both indoors and outdoors) from those who are not in their households. To allow for social distancing, building and spectator capacity may be limited based on current public health department guidelines.
 - Handwashing and/or sanitizing stations will be provided throughout the venue.
 - Anyone who has experienced COVID-19 symptoms within the previous seven days is asked to stay home. COVID-19 symptoms include fever, cough, loss of taste or smell, or shortness of breath.

If any of these guidelines presents a challenge for you, please contact the Ogle County Extension office at 815-732-2191. We can discuss what accommodations are possible so that we can look for ways that all youth can safely participate in this event. Illinois 4-H reserves the right to adjust or cancel events in the case of identified risk, such as changes in local COVID conditions or known instances of non-compliance with safety guidelines.
