GENERAL PROJECTS RULES & REGULATIONS

PLEASE...

- Carefully read the General Rules at the front of this book.
- Carefully read the requirements for each exhibit. NOTE THAT CHECK-IN AND JUDGING TIMES VARY SIGNIFICANTLY FROM DIVISION TO DIVISION AND FOR EACH CLUB! See above table for club checkin times.
- Do not enter exhibits that have already been shown at the Ogle County Fair. All entries must be products of the <u>current</u> 4-H year.

ABOUT YOUR PROJECT...

- 4-H'ers may enter a 4-H exhibit only in a project class they are enrolled in as of April 15. (County Fair Junior Show classes do not require project enrollment. Consult the Junior Open Show Book rules for details and class listings.)
- Use Fair Entry Online at http://ogle4-hfair.fairentry.com. to register your entries.

- BE SURE TO FOLLOW DIRECTIONS FOR YOUR SPECIFIC CLASS! Make sure your exhibit meets requirements. If you don't follow directions, the project won't be eligible for high honor ribbons or awards.
- PROJECT REGULATIONS—an exhibit is the product of a 4-H member's year-long study.
- Displays are defined as 3-dimensional exhibits that sit on the floor or table.
- Posters are exhibits that should be suitable for hanging with binder clips or on nails. They may be constructed of any suitable flat media (wood, poster board, cardboard, foam board, etc.).
- A portfolio is a display in a 3-ring binder. Use of page protectors is recommended for binder exhibits.
- Most exhibits are not limited in size. However, if your project is larger than 3' X 3', please contact the Exhibit Building superintendent so they can accommodate space prior to judging. Civic Engagement, Floriculture B, Family Heritage, Intercultural, Small Engines, Photography, some Vegetable Gardening classes, and Club projects **DO** have size restrictions. Please see each department rules for size requirements.
- 4-H'ers may show only <u>ONE</u> exhibit in each class.
- 4-H exhibits may not duplicate as county open or junior fair class exhibits.
- A project exhibit may only be submitted by one person unless otherwise stated.
- No equipment will be provided for any exhibits. This includes computers, DVD players, extension cords, Internet, etc. Exhibitors should be aware that electrical outlets are not always located near judging locations and should take that into consideration when bringing exhibits. Special concerns should be brought to the attention of the Superintendent at check-in.
- The Ogle County Fair Association and Extension Office do not assume liability for loss, theft, or damage to any exhibit.
- Exhibits illustrating inappropriate subject matter and/or graphics are not acceptable. Exhibits deemed
 inappropriate for youth audiences will not be displayed. Items deemed potentially dangerous to fair goers may
 be removed from the exhibit.
- 4-H'ers are limited to receive one premium per class exhibited in premium-eligible projects.

ABOUT JUDGING DAY...

- COME WITH PROJECTS AT ASSIGNED CLUB JUDGING TIME! This is critical to ensure a smooth flow of
 activity for our volunteer judges. Questions or conflicts about judging times should be directed to Jodi at the
 Ogle County Extension Office.
- NEW THIS YEAR: A completed entry tag must accompany every exhibit. Entry tags will be mailed to families
 prior to judging. If you plan to drop a project, please contact to Ogle County Extension Office prior to your
 judging date.
- **NEW THIS YEAR:** Projects must be properly tagged and ready for judging before arrival to the Ogle County Fairgrounds. NO supplies will be provided for last minute fixes to projects.
- NEW THIS YEAR: Upon arrival to the Ogle County Fairgrounds, members will be asked to check into each
 judging location for their projects based on the chart on the previous page. Each building will have a check-in
 table where you will receive your judging time. If you have multiple projects in multiple buildings, you will need
 to check-in with each building and bounce between those buildings to complete your judging.
- Face coverings are required for all youth, spectators, volunteers, and staff when entering any buildings.
- No parents/guardians will be allowed in any of buildings during judging. Parents/guardians may help outside
 of the buildings by handling projects, keeping track of show times, and directing their children to where they
 need to be. It may be necessary, depending on the number of projects, to make a list of projects, locations,
 and times to show. In case of bad weather, no space will be provided to keep people out of the rain, so please
 plan accordingly.
- Exhibits arriving after check-in time will be displayed and may be judged (if judges are still present) but will
 NOT be eligible for high honors. In case of an emergency on judging night (e.g., a flat tire), call Brenda Holm
 at 815-973-4870 or Jodi Baumgartner at 815-238-4301 prior to 4:00 p.m. Friday and Saturday and/or by 6:00
 p. m. Tuesday.
- All elements of the exhibit must accompany the project at the time of check-in. Missing elements may not be brought in after check-in ends. (Exceptions may be made with permission of Superintendent for computer or electrical components.)
- If you are to be judged on either July 23rd, 24th or 27th and can't arrive at your scheduled club time, you may be eligible to check in at a different time slot with a valid reason. Pre-Approval by the Ogle County Extension Office is necessary for a different time and must be requested in writing prior to July 15. Please email Jodi at ibmqrtnr@illinois.edu. We will make all reasonable accommodations to get you judged.
- The conference judging method will be used. 4-H'ers' presence during judging is optional, but strongly recommended. If the 4-H'er is unable to be present, he/she must attach a completed "4-H Exhibit Report" available in the Extension office or online at: https://extension.illinois.edu/bdo/4-h-ogle-county
- Judges may give oral and/or written comments to 4-H'ers.

- Awards will be given at the judge's discretion.
- Should a 4-H'er be awarded a rosette or plaque, he/she must leave it in place until check-out on Sunday at the end of the fair.
- Judging sheets may be picked up beginning on Thursday of fair week at the Information table during regular Exhibit Building hours.

REMOVAL OF PROJECTS...

- Exhibits will be released on Sunday, August 1, 2021, from 3:00 6:00 p.m. 4-H'ers unable to pick up their exhibits during check-out time, should make arrangements to have another 4-H family or friend pick up their exhibit(s). Exhibits remaining after this time will be left at the risk of the exhibitor(s) and may be disposed of, and exhibitor will forfeit their premium.
- People who dismantle or remove 4-H exhibits before 3:00 p.m., Sunday, August 1, or before they are officially released by departmental superintendents will forfeit premiums. This rule will be enforced.

INNOVATION CLASSES

Innovation classes are open to any 4-H member. Members choosing to exhibit in the Innovation class decide the best way to show off their project mastery and knowledge for the year in that project category. Some suggestions are provided for each category, but members may choose any method they want for demonstrating project learning as long as it does not fit in any other class in that category. Only selected projects categories have an Innovation option. Please note that photography also must include one framed photo.

READY4LIFE CHALLENGE

Ready4Life classes are open to any 4-H member who was 11 – 18 years old by September 1, 2020. Exhibits in this category must include the following: a) a physical representation of the career or business product such as a model, prototype, or display/portfolio that includes images of accomplished work; b) verbal or written explanations that demonstrate knowledge of the related career or business fields, potential careers, and the appropriate requirements for achievement in those fields. The judging criteria for this class values thoroughness of career and/or business exploration and pursuit above the workmanship of the physical specimen on display.

- NEW THIS YEAR: All State Fair delegates and alternates will be expected to email decisions about attending Illinois State Fair and which project they plan to take to Amy at amykm@illinois.edu or call Amy on her Skype phone at 217-300-0433 by Friday, July 30th. - Scrapbooking (2 total from 50345, 50346, 50347)

All Visual Art classes are premium eligible.

- 1. Exhibitors must be enrolled in the Visual Arts project category in which they are exhibiting.
- 2. Exhibitors are encouraged to date their project when it is made. All visual arts exhibits are evaluated using a visual arts rubric which takes into account correct use of design elements, craftsmanship, and creativity.
- 3. Articles exhibited in the Original classes must be an original design created by the exhibitor (except in heritage arts which may follow a pattern AND Fiber-Non Original Ages 8-10 ONLY). Copyrighted or trademarked designs are not acceptable; this includes Team or School logos. Kits and preformed molds are not considered original and are not acceptable in any Visual Arts Class. Combining parts of different patterns (pictures, photographs, images from the internet or a magazine) with the member's own ideas can result in an original design, but simply changing the color, pattern, and/or size of a pattern does NOT make the design original. This also applies for ideas found on a site such as Pinterest. If you see something on Pinterest that you like, use the concept and create something different; however it MUST NOT look exactly like something the judge can search for and find on Pinterest. The exhibit must combine parts of different patterns and/or ideas with the concepts of the member. However, changing the color or changing the size of the item or pattern used does NOT make it original. If you create a replica of what you see somewhere else, it is not your original design. If a photo, sketch, or other idea source was used, submit it with your entry, firmly attached to your exhibit. Be prepared to explain how and where you got the idea for this project.
- 4. Members wishing to exhibit quilts made from a pattern may enter it in Heritage Arts. Quilts exhibited in the Visual Arts Heritage Arts area will be evaluated using a visual arts rubric which takes into account correct use of design elements; craftsmanship; and creativity. All work on the quilt MUST be completed by the 4-H member. You cannot exhibit a quilt that was quilted by someone else.
- 5. For both original and non-original work 4-H'ers should provide the source of their artwork if they use one (example: photo, picture, etc.)
- 6. Members may enter only one project per class and will receive only one premium per class.
- 7. Classification of Visual Arts projects can be confusing. If you have questions about whether your exhibit is properly enrolled, please consult the Superintendent at the time of check-in.
- 8. It is recommended that you bring only one exhibit in a media area of the same technique. (Ex: Don't bring both an original cross stitch and a cross stitch kit.)

9. All items must be properly prepared for exhibit. All items to be framed or planned to be hung must have an anchored device with wire for hanging that can hold the weight of the project. An example of this: could be screws into a wood canvas with wire. There is no specific requirement for the type of mat. Purchased and pre-cut mats are acceptable.

ORIGINAL WORK CLASSES:

Classes 50336 thru 50349 and 50351-50352 are for <u>ORIGINAL WORK</u>. This is any project made without the use of commercial/store purchased pattern or design. The 4-H'er has developed, created, & implemented the project. Articles in this category must be an original design created by the exhibitor. Copyrighted or trademarked designs are not acceptable in this division. Combining parts of different patterns (pictures, photographs, images from the Internet, or a magazine) with the member's own ideas can result in an original design, but simply changing the color, pattern, and/or size of a pattern does NOT make the design original. If a photo, sketch, or other idea source was used, submit it with your entry, firmly attached to your exhibit. Be prepared to explain how and where you got the idea for this project. Photos used as a source must be taken by the artist. MOST ORIGINAL CLASSES ARE STATE FAIR ELIGIBLE CLASSES. Stepping stones and painted rocks are not acceptable in any Visual Arts exhibit class.
