3. **ATTENTION ALL 4-H'ers:** All 4-H'ers planning to exhibit in this department, must complete the Quality Assurance and Ethics (QAEC) certification once during their 4-H career in order to be eligible to show either a live animal or a poster. Certification must be completed by May 1<sup>st</sup>.
4. All rabbits will be inspected by a rabbit committee member before they are placed in cages. The rabbit committee reserves the right to reject any entry. Rabbits with colds, ear mites, or open sore hocks will not be accepted.
5. All rabbits must have either temporary or permanent ear I.D. markings.
6. All exhibits must be brought in from 5:00 p.m. to 8:00 p.m., August 3, 2022, and will not be released until 3:30 or 4:00 p.m., August 7, 2022. Animals penned before check-in time or taken out before release time will forfeit their rights to ribbons, trophies, and premiums, unless agreements have been made in advance with the rabbit superintendent or assistant.
7. **Only one entry per class.**
8. Exhibitors must be present during judging.
9. Single fryers should be a minimum weight of 3.5 lbs. and a maximum of weight 5.5 lbs. and be 70 days old or less.
10. Cages will be furnished on a first-come, first-serve basis; if cages run out, 4-H'ers must furnish their own. Only members who help set up can reserve cages.
11. Exhibitors **must provide own feed and water dishes**. Exhibitors are responsible for feeding and watering their rabbits during the fair. The committee does NOT assume this responsibility. Cages will be checked twice daily for adequate food, water, and cleanliness. A list of care requirements will be listed in the barn. After second offense, premium will be forfeited.
12. The **Market Pen Rabbit class** includes 3 rabbits (each weighing minimum 3.5 lbs. and maximum weight of 5.5 lbs each and may not be over 70 days old). Rabbits will be weighed.
13. Entries for the **Dressed Rabbit Class** should be brought to the fairgrounds dressed. Dress with heart and liver intact. The committee will not be responsible for dressing. Exhibitors should plan to bring their own appropriate storage containers (coolers). Live weight of dressed animals should be 3 ½ - 5 pounds.
14. The **Pet Bunny Class** is designed for those 4-H'ers who have only a couple of pet rabbits at home. These may be outdoor or house bunnies, raised for enjoyment by the 4-H'er and his/her family, and not for production purposes. 4-H'ers may make one entry in this class. **Pet Bunny Class exhibitors may not enter any other rabbit class except the costume class and showmanship**. Pet Bunny Exhibits will be judged based on the 4-H'ers apparent care of the animal and his/her knowledge about the bunny.
15. All 4-H'ers must clean up after removal of the rabbits. Exhibitors will not be released until their cage areas have been checked, and signed off by a committee member.
16. Rabbits will be judged according to American Rabbit Breeders Association standards.
17. For the Costume Class both the 4-H'er and Rabbit must be wearing a costume to enter. Keep in mind this class is just for fun.

19. Participants are required to leave a phone number where they can be reached daily.

20. Participants are required to care for their animals twice every day, and mark on a poster provided that they have completed this responsibility.
