

Peoria County 4-H Show Book

July 29, 30 & 31, 2020

Exposition Gardens, Peoria, IL

Welcome to the 2020 Peoria County 4-H Show

The Peoria County Extension Staff, volunteers and personnel of Exposition Gardens extends a warm welcome to participants and guests attending the 2020 Peoria County 4-H Show.

The Peoria County 4-H Show provides an exciting and interesting community setting to showcase the projects of Peoria County 4-H'ers. It is a wonderful opportunity for parents, friends, and relatives to view the many project areas in which the youth of Peoria County have been involved. The 4-H Show offers many fun experiences and learning opportunities for all. Make the 2020 4-H Show part of your summer activities. Help us demonstrate our support to our youth as we give them well-deserved recognition for their successful endeavors.

On behalf of the Extension Staff, we want to take this opportunity to thank all the 4-H leaders, parents, 4-H youth, superintendents, committee members, other volunteer groups and program supporters for your commitment to making 4-H a very memorable and worthwhile learning experience for our most valuable youth. We appreciate each and every one of you. Your dedication and commitment allows this program to be successful.

Again, thanks for your support. Please attend the 4-H Show. Everyone is welcome. Enjoy the animals, displays, projects and activities associated with this year's event.

The Peoria County Staff also wish to express their gratitude to the Heart of Illinois Fair Board for their partnership in the 2020 4-H Show.

Yours in 4-H,

NON-LIVESTOCK PROJECT EVALUATION

All non-livestock exhibits will be judged in the Youth Building where they will be displayed. There the exhibits will be displayed and considered for trophies and State Fair.

Non-livestock projects will be evaluated using what is called the “interview” type of judging. 4-H’ers should expect to discuss their work with the judge and be prepared to answer questions about what they learned and how the project was completed. Refer to individual departments and class project listings for rules and requirements.

Non-livestock project judging will be held Wednesday, July 29 from 9:30 a.m. – 12:00 noon and 12:30 p.m. – 3:00 p.m. Trophy & State Fair selections will be made beginning at 3:00 p.m. Exhibit areas will be closed until these selections are complete.

All projects will remain on display until project release on Friday, July 31 at 6:30 p.m. NO EXCEPTIONS. If you are unable to pick up your projects at this time, it is your responsibility to make arrangements with someone to pick them up for you.

LIVESTOCK PROJECT EVALUATIONS

Livestock projects will be shown and evaluated on Thursday, July 30 – Friday, July 31. Standard judging methods will be used. Refer to the 4-H Show schedule for specific times and locations. Refer to each animal department for Health Requirements and Show Rules. Contact the Superintendent listed or the Extension Office (685-3140) if you have any questions.

TAX IMPLICATIONS FOR PRIZES, GIFTS OR AWARDS

Program Participants (including minors) will be required to provide their social security number or foreign national tax ID number prior to receiving a prize, gift or award (\$100 or more) to ensure proper IRS reporting as required by law. This sensitive information is kept confidential and handled through security protected software (PEAR). Participants will not be eligible for prize, gift or award if social security or foreign national tax ID information is not provided.

ILLINOIS STATE FAIR AUGUST 13-23, 2020

PEORIA COUNTY EXHIBIT DAY FRIDAY, AUGUST 14, 2020

QUALITY ASSURANCE & ETHICS CERTIFICATION – (QA&E)

The Quality Assurance and Ethics training is required for all youth that enroll in horses, rabbits, poultry, dogs, and cats. Members must take the training whether they own a live animal or not. Members only need to take this once. The website is open year round @ <http://web.extension.illinois.edu/qaec>

YOUTH FOR THE QUALITY CARE OF ANIMALS (YQCA)

The YQCA is a new livestock quality assurance program that is replacing QAEC program for youth in the following species: dairy cattle, beef cattle, swine, sheep, and goats. All 4-H exhibitors of these animals will be required to certify in the YQCA program yearly starting for the 2020 show season. Youth must either attend a face to face class or certify on-line via the website <http://yqca.org> The cost for face-to-face training is \$3 and \$12 for the online version.

GENERAL RULES AND REGULATIONS

- 1) Any 4-H'er who knowingly violates a rule as printed in Show Book, established by the Peoria County 4-H Staff and Superintendents shall be disqualified from the show and forfeit all premiums and awards. This does not apply to all situations.
 - a) If an exhibitor disputes a disqualification of their project(s), the exhibitor may request a hearing before an impartial group of individuals. If the hearing cannot be held before the completion of project judging the exhibitor may exhibit their project with the understanding that awards and/or premiums will be withheld until a decision has been made.
 - b) If another exhibitor or any member of the public has reason to believe that a project (livestock or non-livestock) should be disqualified, he/she must contact Extension staff or the appropriate superintendent and present his/her evidence in writing. Evidence must be filed after official check-in of the project or before the completion of judging. If after reviewing the evidence, the disqualified project and disqualified exhibitor requests a hearing, the complaining person shall be required to testify at the hearing and present his/her evidence. If the complaining person refuses to testify, no disqualification will be made on the basis of that complaining person's evidence.
- 2) To be eligible for 4-H membership, youth must have had their eighth birthday before **September 1, 2019** and not reached their nineteenth birthday by **September 1, 2019**.
- 3) Participation in the Peoria County 4-H Show is subject to the following deadlines: Enrollment in the Peoria County 4-H program as a member by **May 1, 2020**. 4-H Show entries must be in the county office by **July 1, 2020**.
- 4) All exhibits in the 4-H Show must be current year's work, beginning Sept. 1, 2019 to the date of the show.
- 5) All exhibits should be the work of the 4-H member. NO project including both **livestock & non-livestock** can be exhibited at any other county 4-H show by you or another 4-H member. The same project or animal cannot be shown twice.
 - a) For example a member cannot exhibit a project (livestock or non-livestock) at the Peoria County 4-H Show and then exhibit the same project at another county 4-H show.
 - b) Another example is that a member exhibits a project at one county 4-H Show, the same project cannot be exhibited by another 4-H member at a different county 4-H Show.
- 6) If a 4-H member cannot exhibit his/her project at the 4-H Show, they should register for pre-judging. In extreme cases, another 4-H member may exhibit the project for the absent 4-H member. Include a short written report that tells how you made the project, what you did in the project, or what you learned from doing the project.
- 7) To be eligible to exhibit at the State Fair, the 4-H'er must be 8 years old as of **September 1, 2019**.
- 8) Peoria County Extension and the management of Exposition Gardens will do everything possible to insure the safety of all 4-H members and their exhibits during the county 4-H Show.
- 9) Sale of 4-H projects will be allowed in accordance with 4-H Auction Guidelines (page 11).
- 10) Anyone having a protest/complaint **must** submit the same in writing to Extension staff or the appropriate Superintendent. There is a fee of **\$25** to file a complaint. (A complaint form is located in the back of the show book or will be available from Extension Staff during the 4-H Show.)
- 11) All exhibits will remain on the grounds and in place until dismissed by the department Superintendent. Any individual picking up another 4-H'ers project must have a written permission slip from that 4-H'er.

- 12) Exhibit tags need to be COMPLETELY FILLED OUT and SECURELY ATTACHED before a project can be judged or exhibited. Tags should be placed on projects where the information can be seen from the front of the project while on exhibit.
- 13) **No use of any tobacco products will be allowed on the grounds.** The "No Smoking" rule in the barns must be observed.
- 14) No alcoholic beverages and other controlled substances will be permitted on the fairgrounds anytime by anyone. Possession and/or use of these prohibited substances will result in disqualification of all exhibitors associated with their use or possession.
- 15) **Sportsmanship** - All 4-H members and their families are expected to practice good sportsmanship at the 4-H show. Good sportsmanship is dependent on respect – respect for the rules of the show, for other 4-H members and their families, for superintendents, leaders, other volunteers and Extension staff. Sportsmanship is awareness that your actions, attitudes and behavior affect everyone, and how much they enjoy the 4-H show.

Sportsmanship expresses an attitude that having your project judged and exhibited will be enjoyed for its own sake, with proper consideration for fairness, ethics, respect and a sense of fellowship with 4-H'ers competing in the same class. (*Poor sports play and live by the "win at all costs" mentality*). Being a "good sport" involves being a "good winner" as well as being a "good loser".

The following are a few examples (*but not limited to*) of good sportsmanship behavior from 4-H members and their families that is encouraged and admired:

- Acting towards others in an honest, straightforward, firm and dignified manner even when others do not play or exhibit fairly. Treating others fairly as you would like to be treated.
- Maintaining self-control in dealing with others.
- Showing respect for authority and 4-H members you may compete against.
- Helping or showing support for an opponent and shaking hands or offering congratulations to a Class Champion.

The following are of few examples (*but not limited to*) of poor sportsmanship behavior that are unacceptable at a 4-H event and may be grounds for disqualification and/or forfeiture of premiums and awards.

- Rude conversation or inappropriate laughter directed towards youth while exhibiting.
- Blaming others and not taking responsibility for personal actions.
- Reacting immaturely or improperly, making excuses for your loss, referring to unfavorable conditions or other petty issues.
- Damaging or destroying another's 4-H exhibit or property that is not your own.

- 16) We rely on parents, 4-H Leaders and other adults associated with the 4-H Show to set the example by also complying with these rules. Some rules are necessary to assure a high quality 4-H Show and to provide the wholesome atmosphere on the fair grounds that every parent wants for their children.
- 17) Premiums will be paid for only ONE entry in a particular class. Premiums will be paid shortly after show. **IMPORTANT NOTE: "The Department of Agriculture shall use its best efforts to secure sufficient appropriations to fund premiums. In any year for which the General Assembly of the State of Illinois fails to make an appropriation sufficient to pay such premiums, premium amounts may not be accurately reflected in this Premium Book."**
- 18) **NOTE:** Program Participants (including minors) will be required to provide their social security number or foreign national tax ID number prior to receiving a prize, gift or award (\$100 or more) to ensure proper IRS reporting as required by law. This sensitive information is kept confidential and handled through security protected software (PEAR). Participants will not be eligible for prize, gift or award if social security or foreign national tax ID information is not provided.

- 19) Only projects with (SF-#####) after the class name will have State Fair delegates and alternates chosen. Classes that do not have this after the class names do not advance to state. (Example: Animal Sciences (SF-50135) advances to State Fair. Candy Making is not a project that advances to State Fair.)
- 20) If you need a reasonable accommodation to participate in the Peoria County 4-H Show, please contact Cathy Ludolph, 4-H Program Coordinator, at least two weeks prior to the event at University of Illinois Extension, Peoria County, (309) 685-3140.

LIVESTOCK / ANIMALS DEPARTMENT

GENERAL LIVESTOCK RULES AND REGULATIONS

All youth exhibiting livestock **must** sign a “Code of Practice & Behavior Statement” The Code of Practice & Behavior Statement is located in the back of the show book or may be obtained from the Extension office.

The exhibitor must certify that his/her project has been cared for and maintained by himself/herself and his/her immediate family during the required tenure of ownership and this project has not been cared for by a professional fitter or maintained at a professional fitter’s facilities. In case of horse and pony projects, the standard shall be: no other than the project member should fit or train animals on the grounds. Physical assistance with tack, equipment and appointments during the show by immediate family members or project leaders is acceptable.

- BEEF, SWINE, DAIRY, GOATS, SHEEP exhibitors **MUST** have visited the Youth for the Quality Care of Animals (YQCA) website to complete online training **OR** take a face-to-face class before county show time. This training is done annually.
 - HORSES, RABBITS, POULTRY, DOGS & CATS exhibitors **MUST** have visited the Quality Assurance and Ethics Web Page and have a Valid Ethics Certificate before county show time. Members are only required to do this once. This does not need to be done annually.
- 1) In cases where a 4-H member cannot exhibit his/her animal, another 4-H member may do so in his/her place after first getting written permission from the department Superintendent.
 - 2) All exhibits should be the work of the 4-H member. **NO** animal can be exhibited at any other county 4-H show by you or another 4-H member. The same animal cannot be shown twice. (i.e. A member exhibits an animal at the Peoria County 4-H Show, the same animal cannot be exhibited by that member or any other 4-H member at a different county 4-H show.)
 - 3) Show management are the only individuals that may approach a judge during a show. If another individual(s) approach’s a judge during the show, it may be grounds for disqualification.
 - 4) **WEIGH IN TIMES** - Swine, Wethers, and Cattle must be in place at the designated times for weighing. See *4-H Show Schedule* for times.
 - 5) **ANIMALS MUST BE IN PLACE BY:**

a. Beef	6:00 PM	July 31
b. Poultry, Rabbits	8:00 AM	July 31
c. Swine, Sheep, Goats, Dairy Cattle	6:00 PM	July 31
d. Horses (Heart of IL Arena)	8:00 AM	July 18
 - 6) **UNLOADING OF ANIMALS** - All animals must be inspected or approved for unloading by the Health Official or appropriate committee member with presentation of required papers (see individual animal regulations). Unloading of animals on Thursday, July 30 after 9 AM must be done from the south end of the animal barns (closest to the Youth Building).

- 7) Exposition Gardens and Peoria County Extension do not provide any insurance or liability coverage prior to show dates July 29, 30 & 31, 2020. We will be setting up some pens and stalls Monday, July 27, 2020. The 4-H Show will begin Wednesday at 8 AM.
- 8) All youth exhibiting a livestock project are required to wear appropriate footwear in the show arena. This includes Beef, Dairy, Swine, Sheep, Goats, Rabbits, Poultry & Horse projects. (Open toed or open heeled shows, sandals, slippers, moccasins, crocks, etc. are prohibited.) Also appropriate show attire is recommended when exhibiting in the show arena.
- 9) **PROPER PAPERS** - All purebred animals except horses (see Horse Dept. rule # 1) or Dogs (see Dog Dept. Rule # 5) must be registered in the 4-H exhibitor's name (no partnership or family registrations) and the proper papers must be available for inspection by Superintendent or **authorized** personnel on the day of the show. All livestock may be leased for the Peoria County 4-H Show. Lease forms must be on file in the Extension Office by May 1. Lease forms are available on Peoria County Extension Website. Important note: If exhibitor plans to show animal (other than horses & dogs) at State Fair, papers must be in exhibitor's name. They cannot be leased.
- 10) **HEALTH PAPERS** for beef, dairy, goats, sheep, swine and poultry must be complete and available for inspection by the Health Official and/or department Superintendent. Poultry and rabbits will be visually inspected for evidence of disease or parasites.
- 11) **PROPER CARE OF ANIMALS** – 4-H'ers **MUST** have adequate feed and water for their livestock at ALL times. Failure to comply may result in being banned from showing in next year's show. Also if a Superintendent feels that a 4-H'er is being abusive to the animal in the arena or show ring, they may approach the member and inform them this is unacceptable behavior. A verbal or written warning will be given and state that if it continues they will not be able to participate in the 4-H show the next year or two (whatever is determined by the Superintendent & Extension Staff).

All exhibitors of animals at any Illinois Fair or exhibition shall comply with the provisions of the Illinois Humane Care for Animals Act. Any practice or deviation from normal humane husbandry practices, including, but not limited to artificial manipulations, physical abuse, medical treatments or mechanical applications of any substance, other than on the prescription of a licensed veterinarian, will constitute a violation. If violations are observed by fair officials, the animal will be excused from exhibition, disqualified, and be ordered to be removed immediately from the grounds with all awards previously earned at this fair being forfeited.

- 12) **ONLY ONE ENTRY PER CLASS** will be permitted with the following exceptions: all swine, steer, and sheep classes, and rabbit purebred classes. **However, premiums, if they are available, will be paid for only one entry per class.**
- 13) **SHOWMANSHIP CLASSES - No advance entry is required for ANY of the showmanship classes, except HORSES.** Animals exhibited in the showmanship classes **MUST** have been previously exhibited in another class. **NO PREMIUM PAYMENT** is awarded for exhibits in showmanship or challenge classes in any species. Ribbons and awards still apply for winners. This includes HORSE ENGLISH EQUITATON AND WESTERN HORSEMANSHIP CLASSES.
- 14) **TO STAY OVERNIGHT** on the Fair Grounds 4-H'ers exhibiting livestock in the 4-H Show must provide the following information to an Extension staff person any time before 6 PM on the evening you plan to stay:
 - a) Permission slip with parent's and chaperone's signatures
 - b) Every chaperone or parent who plans to stay overnight on the fairgrounds must be 21 years old or older and have a VOLUNTEER APPLICATION FORM and CANTS check on file at the Extension office prior to the 4-H Show. (This volunteer background screening takes two weeks; forms are available at the Extension office.)
 - c) Behavior and safety guidelines including curfew and "lights out" policy will be enforced.
- 15) **LIVESTOCK RELEASE** - All livestock will be released at the conclusion of the auction. Early removal may result in forfeiture of premiums and awards. All livestock exhibitors must have a release form for every species

they exhibit signed by the Superintendent of that species before removing animals from the fairgrounds. This is to insure that stall areas are completely cleaned. All straw, manure, and other debris must be placed **IN** designated containers. Bring your own equipment for the removal of bedding and debris used for your animal. Bedding should be minimized to defray the cost of debris removal. Horses will be released following the show on Saturday, July 18. Check with your Superintendent for exact times.

- 16) **STATE FAIR ENTRIES - NO LATE ENTRIES FOR JUNIOR LIVESTOCK EXHIBITS WILL BE ACCEPTED.** Entries for Horses must be in the Extension Office by **June 19, 2020**. Livestock entries for Beef, Sheep, Swine, Dairy, Goats, Rabbits & Poultry must be in the Extension Office by **July 1, 2020**. Entry forms are available on the IL State Fair Web Site or they can be picked up from the Extension Office.
- 17) Exposition Gardens has placed wood chips in many of the stall areas. **No straw or other bedding is to be placed on the wood chips.**
- 18) Decisions of the Judges and/or Superintendents are FINAL. All special requests must be presented to the Superintendent in writing before the 4-H Show (if applicable), with approval or denial of requests decided on an individual basis by the superintendent.

RIBBONS AND TROPHIES

- 1) **ALL trophy winners are responsible for sending the trophy donor a THANK-YOU note.** Address labels are on trophies **or** available from the Extension office.
- 2) All **non-livestock** projects judged and exhibited will receive a BLUE, RED or WHITE ribbon. Superior exhibits will be awarded a PINK ribbon. Not all exhibits will qualify for a Superior ribbon.
- 3) For every class, ONE exhibit will be chosen as a Class Champion. These exhibits will receive a PURPLE ribbon.
- 4) Trophies will be awarded to one of the Class Champions only in those classes with trophy sponsors (some project areas are combined). Individuals or clubs interested in sponsoring a trophy may do so by calling the Extension office before June 1, 2020.
- 5) **Livestock** ribbons and trophy awards will vary according to species and number of exhibitors. Awards may be A, B, or C rating, Class Champion, Grand Champion, and/or Reserve Class Champion.

STATE FAIR JUNIOR LIVESTOCK SHOW

INTENT TO PARTICIPATE forms, available from the Extension office or in the back of the Show Book, must be in the Peoria County Extension Office by July 1, 2020. Failure to have a completed form on file prohibits participation in the 2021 Auction. NO Auction entries can be added to the sale list on the day of the Auction. Youth must confirm their entries on the day of the sale with an Auction Committee member or Extension staff. Withdrawals will be allowed. Decisions of the Auction Committee are FINAL.

The auction entry must be an enrolled 4-H project in the current 4-H year and must be judged in the current year 4-H Show. **Youth are required to recruit 2 bidders for the auction. Auction Forms will not be accepted without potential buyer information. All terms of sale must be completed by September 15.**

MARKET LIVESTOCK ENTRY GUIDELINES

- The 4-H'er reserves the right to continue to exhibit the animal through the State Fair. However, the 4-H'er is responsible for the health and security of the animal. Death loss of the animal is the 4-H'er's loss. Money will be held in escrow until after the State Fair. **Also if exhibitor continues to show animal (i.e. State Fair) all terms of sale must be completed by September 15.**
- If the 4-H'er sells the animal as Grand Champion at the State Fair, the buyer will be fully reimbursed.
- A minimum of 1% with no more than a maximum of 3% "fee" will be deducted from the total sale of the animal to cover Auction expenses.
- Buyers' checks will be made payable to the Peoria County 4-H Auction Committee, then processed to the 4-H'er after transaction requirements is complete. 4-H'er will not receive payment until a later date.
- The seller will provide transportation suitable to the buyer within a reasonable distance. However, the 4-H'er is responsible for the care of the animal until arrangements can be made with a locker for processing within one week of the auction.
- The buyer assumes responsibility and loss of animal upon possession of the animal.
- The animal will be weighed and sold by the pound on the day of the auction.
- Minimum weight guideline: Sheep 100 - lbs., Swine 215 - lbs., Beef 950 - lbs. and above.
- It is the responsibility of the 4-H'er (seller) to bring the animal up to market weight for the buyer (if the buyer should request it) as follows: Sheep 110 lbs.; Swine 240 lbs.; Beef 1100 lbs.
- Youth participating in the auction are required to help with the set up and clean up for the auction. A release form must be signed for verification of helping. If youth do not help, an additional 15% fee could be deducted from their auction earnings and he/she may not be able to participate in the 2021 4-H Auction.

NEW PREMIUM OPTION FOR MARKET ANIMALS

- 1) Buyer pays full price and buyer has the option of taking the animal to market or whatever else they may want to do with it or 2) The buyer can pay only the premium and youth will take the animal home or whatever else they may want to do with it.

NON-MARKET ANIMALS

- The buyer has an option to keep the animal. Not all buyers give the animal back to the youth.

ALL OTHER PROJECT ENTRY GUIDELINES

- The 4-H'er reserves the right to continue to exhibit all projects at the State Fair. However, the 4-H'er is responsible for insuring the price paid at the auction. The 4-H'er is responsible for contacting the buyer to retrieve the project as soon as State Fair exhibiting is completed.
- A minimum of 1% with no more than a maximum of 3% "fee" will be deducted from the total sale of the project sold to cover Auction expenses.
- Buyers' checks will be made payable to Peoria County 4-H Auction Committee, then processed to the 4-H'er after transaction requirements are complete.
- A minimum price may be set to assist the auctioneer.

It is the 4-H'ers responsibility to send a THANK YOU note to the buyer.

CAT SHOW

Superintendent Jessica Westerman
Phone.....(309) 258-2626

CAT SHOW will be held on Wednesday, July 29 at 1:30 p.m. in Youth Building.

HEALTH REQUIREMENTS

- 1) All cats must be four months of age by show date.
- 2) There will be a health inspection starting 30 minutes prior to the start of show time. The 4-H cat must remain in the cat carrier until the health check is completed and given approval for removing the cat. Minimum health requirements include: Vaccinations current and/or proof of rabies vaccination.
- 3) All cats shown must be healthy, fully groomed, and free of fleas, ear mites, fungus and other communicable diseases. Cats will be checked for fleas and ear mites before the show. No pregnant or nursing cats may be shown. Any cat not adhering to health rules will be sent home. It is recommended that all 4-H cats, other than pedigreed breeding stock, be neutered or spayed.

CAT SHOW RULES:

- 1) 4-H Cat Show exhibitors must have owned the cat before May 15 of current year. Cats may be purebred or household cats.
- 2) Only members may show cats at the judging table. A 4-H cat entered but not presented or available will not be judged.
- 3) All cats must be taken to and from the show in secure carriers. A leash and collar or harness must be used. All exhibitors are expected to stay in the area with their cats during judging. Cats will be removed from their cages during judging. The member will stay and watch his or her cat being judged, then return the cat to its cage.
- 4) If the 4-H cat is not on the judging table at the time the class is judged, it will not be judged.
- 5) All cats show must be 4 months or older to be eligible to show.
- 6) Cat vaccination form can be found on the county website under Peoria County 4-H, Peoria County 4-H Show or at this link: <https://web.extension.illinois.edu/fmpt/downloads/78801.pdf>
- 7) An overall Best in Show Cat will be selected.

CLASSES

- General Cat Classes – Cat classes will be judging the cat, not the participant.

- | | |
|-----------------------|----------------------|
| * Household Shorthair | * Purebred Shorthair |
| * Household Longhair | * Purebred Longhair |

Cats are classified as follows:

- *Household* – Cats that are not registered as a recognized breed.
- *Purebred* – Cats of a recognized breed, kept pure for many generations. If the cat is registered, it must have a current registration number from one of the national cat registries (in the member's name).
- *Long Haired* – Cats whose coat has long top hairs, with a thick woolly undercoat. The length of hair on a cat's tail is often used as a determining factor. Long Hair length is normally 1 ½" in length.
- *Short Haired* – Cats whose coat has only short hairs and a smooth, textured coat. Cat tail hair is usually less than 1 ½" in length.

- Showmanship – The purpose of this 4-H activity is to help 4-H members learn and become more aware of cat fanciers knowledge, show techniques and related cat management. Judges will be speaking with the member about their knowledge of the following.
 - * Overall good health & grooming of the cat.
 - * Exhibitor's ability to handle and show their cat.
 - * Cat's presence with the judge.
 - * Knowledge of responsible ownership-including responsible care, training, and feeding of cat.
 - * Basic knowledge of cat behavior or breed characteristics.

- Carrier Decoration – Item will be judged on safety, originality, neatness, creativity and theme.
 - * Safety for your cat must be #1 consideration, when decorating your cage.
 - * The cage must be covered on 2 sides, back and top with material that gives privacy and helps stop airborne diseases. Back corners must be able to be opened to allow ventilation on hot days.
 - * A proper litter pan must be in cage.
 - * Use separate non-breakable water and food dishes.
 - * Decorations above cage, if any, must be lightweight and not fragile.
 - * Include a written description of materials and techniques used.
 - * Items used for cage decorations cannot be entered in any other class.
 - * Each 4-H member must have a different theme every year.
 - * Cage Sizes: No smaller than 20”H x 24”W x 21”D and no larger than 24”H x 48”W x 24”D.

- Costume Contest – Will your cat let you dress him/her up? Then show off your cat's cutest outfit.

- Talented Trick Competition – Does your cat play fetch, sing, play the piano, ride a skateboard, walk on 2 legs, open doors, or any other neat trick? Show off your cat's amazing skills with a demonstration. You can bring a video on your phone or laptop of your cat performing their trick or skill at home, just in case your kitty gets stage fright! (Equipment to show video will not be provided.)

ANIMAL SCIENCE CLASS

- Cat Animal Science Class - No animal is shown. This project is included in the non-livestock judging schedule and is shown in the SCIENCE PROJECTS show and judging area. See specific directions in the SCIENCE PROJECTS section of the show book. (Page 37)

- Cat Maker Class – (SF-50400) – (See Page 76 for class guidelines.)

DOG SHOW

Superintendent.....Judy Gullikson
Phone

(Illinois State 4-H Dog Show will be August 29, 2020. This year's show will be held at Granny Rose K-9 Enrichment Center in Dixon, IL)

DOG SHOW will be held Thursday, July 30 at 1:00 p.m.

HEALTH REQUIREMENTS

- 1) Each dog entered in the 4-H dog show must have a health form signed by a veterinarian within the previous 12 months, showing evidence of inoculation for distemper, hepatitis, leptospirosis, parainfluenza and parvo virus.
- 2) Rabies vaccination certificate is required.
- 3) A county registration certificate and a current county dog tag must be included with health papers.

DOG SHOW RULES:

- 1) Dogs do not have to be AKC registered to compete.
- 2) All dogs in competition must be at least 6 months old.
- 3) All exhibitors are required to compete in the dog care and grooming class. All exhibitors wishing to enter the obedience and showmanship classes may do so. However, they will need instruction (classes) for obedience and showmanship by an experienced handler.
- 4) As a matter of safety, the judge and/or superintendent may remove from competition any dog whose handler does not control his personal conduct or the conduct of the dog or any dog that may appear ill.
- 5) A dog being shown in the dog obedience project must be trained by and belong to the exhibitor, to a member of his/her immediate family, or leased for the length of the project with a signed statement. (Forms available at the Extension Office.) **The ownership or lease agreement must be in effect by June 1 of the year in which the dog is being exhibited.**
- 6) To be eligible for Illinois State 4-H Dog Show competition, exhibitors must be 8 years old by September 1, 2019. Exhibitors must bring a score sheet signed and dated by the Judge of the County 4-H Show, or an AKC Obedience Trial. A dog must have a final score of at least 170 points for all classes. (See State Fair Junior Dept. Rules Dog Show division for any other info.)
- 7) In case of a duplicate score, a run off will be held. Exhibitors shall be limited to one entry per class. The same dog cannot be exhibited in more than one obedience class.
- 8) All dogs must be brought to the show on a 6-foot leather, nylon or canvas leash and a regulation slip chain or nylon training collar for obedience. A show lead is required for showmanship.
- 9) A score of 170 is required to go to State Competition for all classes. Anyone who does not qualify for State may compete at the same level the following year.
- 10) Only the handlers who have won the Jr. and Sr. Grand Championship in Showmanship at their 4-H Dog Show may represent the county. No substitutions are allowed! If the Grand Champion is unable to attend the county will be un-represented. **Handlers must be 4-H members enrolled in the county in which they win.** A verification form of county representation is to be sent with exhibitor's entry form. A dog may compete in only one showmanship class.
- 11) A handler may show more than one dog. The same 4-H member may handle no more than one dog in each class.
- 12) Obedience dogs passed from child to child must compete at the level appropriate for the dog. (A dog cannot be used by two family members in the same 4-H year.)
- 13) Any obedience dog that receives a score that would qualify for state must move up to the next class the following year. This does not depend on whether you attended the state fair.

GROOMING & SHOWMANSHIP CLASSES

- Dog Care & Grooming - Judging based on the overall condition of the dog and knowledge of grooming and terms

SHOWMANSHIP - Judging will be based upon the handler's ability to present the dog to its best advantage. The dog must be trimmed and tidy. The handler must show knowledge of ring procedure and handling. Jr. and Sr. Showmanship classes must also know terms and structure.

- Junior.....4-H'ers 8 - 13 years as of September 1, 2019.
- Senior4-H'ers 14 - 18 years as of September 1, 2019.

HORSE SHOW

Superintendent..... Martha Eberley
Phone369-7224

HORSE SHOW will be held Saturday, July 18 at 9:00 a.m. at the Heart of Illinois Arena, Peoria.

(Illinois State Fair Junior Horse Show will be July 26 – August 2, 2020.)

Guidelines for the Heart of Illinois Arena

1. Wash rack available for animals.
2. Showers for campers, exhibitors, etc. are available to use.
3. They DO NOT ALLOW water hook-ups for any vehicle that has indoor running water. It is the responsibility of the owner of such vehicles to fill their water storage tanks before arriving at the HOI Arena grounds; also it is not allowed to dispose of waste from said vehicles on HOI grounds. The HOI arena management staff will disconnect water hose hooked up to a water faucet.
4. Youth may come in early on Friday, July 17 (any time after 12 noon). Camper hookups are available for \$15/day.
5. Electrical Hook-up Information:
 - a. Each person plugging into these connections must pay for these hookups. The Peoria County Extension Office is not responsible for these fees.
 - b. The rates for the electrical hookups are as follows: Horse Trailer, RV, Winnebago's, and Campers-\$15 per day, for each day plugged in (not a 24 hour period, each day of the week is considered a new day for hook-up charges. It does not matter if it is for 1 or 24 hours.)
 - c. HOI Arena management staff will collect these fees before plugging in and issue an electrical permit that must be displayed in plain view.
 - d. Priority will be given to the horse trailers that belong to the exhibitors showing.
6. The arena has its own food stand and it will be open on Saturday, July 18, the day of the show.
7. Some seating is available but may want to bring own lawn chairs.
8. **NO DOGS** allowed on grounds.

4-H Exhibitor Fees

1. **The Peoria County Extension Office is not responsible for these fees.**
2. You need to let the Extension Office staff know if you will require stalls and how many. We need to inform the owners one week prior to event on how many stalls will be needed.
3. **\$25.00 stall fee per day** (160 stalls available-already set up and usable. This fee is for all stalls used, for horses or tack stalls.) NO STRAW is allowed in the stalls.
4. **\$10.00 ground fee per horse per day** for un-stalled horses on the grounds (if tied to a trailer and not using a stall). Exhibitors with un-stalled horses on the grounds showing from trailers are expected to clean the grounds around their trailer before leaving.
5. Early arrivals & late departures – There will be a \$5.00 ground fee per horse per day that arrives the day before the event starts. Any horse on the grounds 8 hours after the event ends will be subject to the late departure fee of \$5.00 per horse per day.
6. Bag stall bedding is available on the grounds at the current going rate. Prices will be posted day of show. Contact HOI Arena staff for purchase and delivery. Paid for upon delivery. Check with HOI Arena for current price or youth may bring their own stall bedding – NO STRAW ALLOWED!! The Peoria County Extension office is not responsible for these fees.
7. Each stall is allowed only ONE fan: The State Fire Marshall considers additional fans or lights and excessive extension cords running at random a fire hazard. (The HOI Arena management and staff will disconnect additional fans, etc.)

HEALTH REQUIREMENTS

All exhibitors of animals at any Illinois Fair or Exhibition shall comply with the provisions of the Illinois Humane Care for Animals Act. If violations are observed by fair officials, the animal will be excused from exhibition, disqualified, and be ordered removed immediately from the grounds with all awards previously earned at this fair being forfeited. Any practice or deviation from normal, accepted care, including physical, medical or mechanical application, shall constitute a violation of show rules and may result in the animal(s) disqualification and removal from the fairgrounds.

ALL horses and other equine, twelve (12) months of age and older attending an advertised equine event, shall be accompanied by a negative test for equine infectious anemia (EIA) conducted within the last twelve (12) months. A copy of this test shall accompany the animal. AGID (Coggins) or ELISA tests are accepted. An advertised equine event means a show, rodeo, sale, auction, exhibition, trail ride, or horse fair that is posted or media promoted. A CVI is not required for Illinois Equine.

**Refer to “Guidelines for Junior Horse Shows” for complete horse show regulations.
Refer to “General Livestock Rules” in the show book for additional rules.**

DATES & ENTRY DEADLINES

- 5) All entries must be on the show grounds by 8 AM Saturday, July 18 and will be released on Saturday, July 18 no earlier than the end of the horse show unless otherwise approved by the Superintendents.
- 6) **LIVESTOCK RELEASE** – Livestock will not be released unless a signed livestock release form is presented to the Superintendents to insure that stalls have been cleaned. All bedding, manure and other debris must be placed in designated area. Exhibitors are responsible for bringing their own equipment to clean stalls.

HORSE SHOW RULES & REGULATIONS

1. All exhibitors participating at the horse show have the responsibility of being familiar with the rules that apply in each class. The Peoria County 4-H Show is not a member of the US Equestrian Federation or the American Quarter Horse Association. The Peoria County 4-H Show uses the mentioned organizations rulebooks as guidelines for this show. The Peoria County 4-H Horse Superintendents and /or Extension Staffs' 2010 Addendum supersedes all other rules in case of a conflict. This Addendum will be posted at the show and/or made available to all exhibitors. Violation of rules may result in disqualification of the entry. The decisions of the Superintendents and Judge regarding ANY matters at the show ARE FINAL.
2. Only horses entered in the 4-H show will be allowed on the grounds.
3. Unsportsmanlike or discourteous conduct by an exhibitor or his/her family members or friends, may be grounds for disqualification by the Superintendents and/or Extension Staff.
4. **PROPER CARE OF ANIMALS** – 4-H'ers **MUST** have adequate feed and water for their livestock at ALL times. Failure to comply may result in being banned from showing in next year's show. Also if a Superintendent feels that a 4-H'er is being abusive to the animal in the arena or show ring, they may approach the member and inform them this is unacceptable behavior. A verbal or written warning will be given and state that if it continues they will not be able to participate in the 4-H show the next year or two (whatever is determined by the Superintendent & Extension Staff). All exhibitors of animals at any Illinois Fair or exhibition shall comply with the provisions of the Illinois Humane Care for Animals Act. Any practice or deviation from normal humane husbandry practices, including, but not limited to artificial manipulations, physical abuse, medical treatments or mechanical applications of any substance, other than on the prescription of a licensed veterinarian, will constitute a violation. If violations are observed by fair officials, the animal will be excused from exhibition, disqualified, and be ordered to be removed immediately from the grounds with all awards previously earned at this fair being forfeited.
5. No judge may be approached by an exhibitor, parent/guardian, exhibitors' friends or 4-H leader without first obtaining permission from the Superintendents. Violation of this rule may result in disqualification from the show.
6. All exhibitors must be checked in at the designated table near the announcers stand prior to the start of the show.
7. Classes cannot be added the day of the show however classes can be dropped the day of the show. If a youth is entered in the wrong class the show recorder will make the appropriate class change the day of the show.
8. **ENTRIES:**
 - Each exhibitor is allowed to show two animals (horse and /or pony). Exception – Additional animals (horse and /or pony) may be shown if exhibiting in the Mare & Foal Halter or Production Halter classes.
 - The exhibitor is limited to a total of (10) ten classes. (Showmanship, Challenge, English Equitation, and Western Horsemanship classes do not count towards the ten class limit).
 - Exhibitors showing more than one horse should designate on the entry form which horse is to be shown in each class.
 - In the event during the show a change of horse is necessary, prior approval must be obtained from the Superintendent before entering the ring.
 - Animals need not be registered to exhibit.
 - **NO Stallions or stud colt** is allowed on the show grounds during the Peoria County 4-H show, except weanling colts born on or after January 1, 2020.
 - No animal may be shown by more than one exhibitor and no exhibitor may enter more than one animal in any class. (Exception: Horse Specialty Project)
 - Each exhibitor must show his/her animal in the ring without the assistance of another person. (Exception – Mare & Foal Class)
 - For the costume class, more than one 4-H member may be part of the entry, however only the exhibitor should enter the class. A leader and/or side walker is permitted for safety reasons in the **COSTUME CLASS** and riders with disabilities classes. At any time only 4-H members over 8 years of age or parents or leaders will be allowed in the show ring.

9. PONIES: All ponies will be measured or must show a 4-H Pony Card. 4-H Pony cards will be accepted only on ponies 5 years of age or older. If an exhibitor is showing a pony for which a valid 4-H Pony Height Card has already been obtained in the past, the exhibitor must present this card to the Superintendent at the time of checking in before numbers/packets can be obtained. Ponies will be measured at 8:45 am in the warm-up area prior to the start of the show.
10. Only 4-H members may ride while on the show grounds, no adults.
11. **NO coaching or assistance from outside the show ring may be given by anyone while the 4-H member is showing.**
12. Animals may only be ridden in the show arena and designated warm up areas. ANIMALS MUST BE HANDLED IN THE STALL AREAS OF THE BARN. (Weather permitting the show will be in the outdoor arena and warm-up in the indoor arena. In the event of rain the show will be held in the indoor arena and warm-up in the outdoor arena). The gravel drive between the barn and outdoor arena is a staging area only- it is not to be used for warm-up.
13. ONLY EXHIBITORS will be permitted to work horses on the grounds at any time.
14. NO riding double is allowed!
15. An appropriate ASTM/SEI approved safety helmet with chin strap buckled and fastened will be required by all riders whenever mounted on a horse or pony. This is MANDATORY! This is also for all classes including Hunter Hack, English & Western, Costume, Walk/Trot, Speed Events, and Trail classes and when practicing. NO EXCEPTIONS! Exhibitors are also required to wear a shoe or boot with a heel and must ride with a saddle and bridle. Bareback riding will not be allowed on the show grounds at any time.
16. All patterns, rule additions and other announcements from the Superintendents and/or Extension Staff will be posted near the Announcers Stand. These items will be posted once and copies will be available at the check in table near the announcers stand.
17. If a horse or pony is out of control and becomes a safety threat to the exhibitor or other participants in the arena, the Judge or Superintendents can ask the youth to leave the arena before judging is completed.
18. Due to weather and/or low number in classes, the schedule is subject to change.
19. It is the exhibitors' responsibility to pay attention and be ready for their classes. There will only be three calls for a class and then the class will proceed. If a tack change is required, please notify the show recorder or Superintendents ahead of time and they will hold up the class.
20. **The Superintendent may combine or split classes based on number of entries on the day of show with no prior announcements.**
21. Exhibitor number must be worn on the exhibitors back for all classes.
22. Proper attire and safe, clean equipment is required. Silver accessories are optional and will not be given preference over good working equipment. See "Guidelines for Junior Horse Shows" for complete class rules. It is the responsibility of the exhibitor to know the rules for any class in which they show. (A copy of the "Guidelines for Junior Horse Shows" may be obtained at the Extension office).
23. **Walk/Trot** exhibitors are not eligible to show in classes requiring a canter or lope. Walk/Trot exhibitors must not have shown previously in any class at any show requiring a canter or a lope, including open speed classes.
24. All exhibitors must demonstrate their ability to handle their horse/pony on the ground in either a halter or showmanship class before being eligible to exhibit in a riding class. If an exhibitor is showing more than one horse /pony they must both be shown in a halter or showmanship class. (Showmanship and Challenge classes do not count towards the ten class limit).
25. Each animal may only be shown in one halter class, with the exception of Mare and Foal, which may be shown in one other appropriate class. Unregistered horses may be shown in either Grade Halter or one of the other halter classes. This decision must be made at the time entries are due on July 1, 2020.
26. Halter classes are classified as Society Type or Stock Type. Exhibitors may show their animals in the discipline/attire of their choice. Example a Quarter Horse may be shown in Hunt Seat attire and an Arabian may be shown in Western attire.
27. No lip chain may be used in any Halter or Showmanship classes.
28. NO exhibitor may be tied, buckled or fastened to the horse or saddle in any manner or by any means (this includes wheelchairs). This rule overrides the Guidelines for Junior Horse Shows.
29. All youth that receive a Class Champion Trophy should send a Thank You card to the donor. The donors' name and address is usually located on the bottom of the trophy or on the box. Please contact the Extension office at 685-3140 if donors' information is needed.

CHECK-IN BEGINS 8 AM SATURDAY, JULY 18, 2020

OPENING PROGRAM - Welcome and National Anthem

HALTER

CLOTHING JUDGING DAY – JULY 7, 2020
LILLIE M. EVANS LIBRARY – Large Meeting Room
207 N. Walnut Ave, Princeville

CLOTHING SHOW RULES

1) All garments and items must be purchased or constructed during the current 4-H year.

<p>2) IMPORTANT! All garments/items must be brought for display at the Peoria County 4-H Show to be eligible for premiums and State Fair selection. Bring your garments on a wire hanger in a clear plastic bag. Garments will be displayed during the 4-H Show at Exposition Gardens on July 29-31, 2020. If garments are not on display, premiums will be forfeited.</p>

- 3) For constructed garments/items, bring your pattern instruction sheet with you as the judge may ask questions about various construction techniques you used.
- 4) Bring a description of your garment (regardless of whether it is constructed, purchased, non-clothing or restyled) for narration during the style show. It should be written neatly or typed on a large index card. Include your name, age, club, years in 4-H, description of your garment, fiber content, uses of garment, etc. Use the pattern envelope if you constructed the garment.
- 5) **IMPORTANT NOTE:** Members cannot exhibit in more than one Level of Clothing & Textiles. These are based on your sewing skills. Thus, if you are in STEAM Clothing I, you should not also be in STEAM Clothing II or III. Each level has different show opportunities which you may do, but they must be in the same level.
- 6) **JUDGING PROCEDURE:** First, you will have your garment judged for proper construction techniques OR purchasing techniques, depending on whether you chose **STEAM Clothing** or **Shopping in Style**. Next, you will put the garment on to model it and have it judged for fit and appearance on the individual.

<u>SCHEDULE:</u>	9:00 – 9:45 AM	Judging Time for all participants <u>that have more than 1 item</u> to be judged.
	9:45 – 10:15 AM	Judging Time for all participants that have only 1 item to be judged.
	10:15 – 11:00 AM	Selection & Announcement of Awards (Class champions & State Fair Delegates.)

(This is a tentative schedule; judging may be completed earlier or later than scheduled. If you are exhibiting more than one project, please plan to arrive at 9:00 a.m. All participants should plan to stay until after the selection and announcement of awards.)

Make sure you know when you are to be judged and when you are to be on the stage for modeling. Purchased and constructed garments will be evaluated on the member, in addition to the conference with the judge. Construction and appearance will both be considered.

IMPORTANT NOTE: ALL STEAM 1, 2, 3 and Shopping in Style Beginning, Intermediate & Advanced exhibits will be judged on this date. This **includes all non-wearable exhibits** such as Clothing Portfolio, Fabric Textile Scrapbook and posters, etc.

ALL KNITTED/CROCHETED ARTICLES AND WEARABLE GARMENTS WILL BE JUDGED AT THE 4-H SHOW IN VISUAL ARTS.

CLASSES

- **FASHION REVUE** – All items constructed or purchased may be included in Fashion Revue and this includes pillows or other non-garment items. Exhibitors in this class may be enrolled in any of the following projects: STEAM Sewing 1-3 and/or Shopping in Style. 1. Garments constructed for another person are eligible for exhibiting classes 50151-50154.
2. *Purchased and constructed garments should include a good quality photo of the individual wearing the garment, **no larger than 4"x6" in size.***
3. *If a pattern was used to make the garment, pattern instructions are to be included with the exhibit.*
4. **Garments/items will not be placed on display unless covered in a clear plastic bag (no garment bags).**
5. **Construction and appearance will both be considered. Exhibit tags should be attached to the GARMENT, not to the hanger.**

- **STEAM CLOTHING 1 / Fundamentals (SF)** – Exhibit one or more of the following in either the Non-Sewn, Sewn Non-Clothing, or Sewn Clothing exhibit divisions:

Non-Sewn Exhibits – (SF-50151a)

- Clothing Portfolio – Complete at least three different samples/activities from Chapter 2 and/or Chapter 3 of the project manual. Examples of samples you might include: How Two Magically Become One, pages 85-86; No Fear of Fray, pages 93-95; Two Sides of the Moon, pages 97-99; On the Flip Side, pages 101-104; Basic Hand Sewing Skills, pages 106-108. The Portfolio should be placed in an 8 ½ x 11, 3 ring binder. Include an appropriate cover, dividers, and table of contents. NOTE – additional pages can be added each year but must be dated with the year. See pages 9-10 of project manual for portfolio formatting.
- Fabric Textile Scrapbook – Must include at least 5 different textile samples. Use Textile Information Cards template on page 41 in project manual to identify fabric swatches. Completed textile cards should be placed in 8 ½ x 11, 3 ring binder. Include an appropriate cover. See project manual, pages 42-74, for fabric options and fabric science experiments.
- What’s the Difference / What’s the Price Point – Exhibit may include a notebook, poster, small display sharing a project comparison and price point. See activity, pages 118-120. Exhibit should include PHOTOS; No actual PILLOWS.

Beginning Sewing Exhibits – exhibits in this class must be made from medium weight woven fabrics that will sew and press smoothly, flannel/fleece is acceptable. Solid color fabrics or those having an overall print are acceptable. NO PLAIDS, STRIPES, NAPPED or JERSEY KNIT. Patterns should be simple WITHOUT DARTS, SET-IN SLEEVES, and COLLARS. Raglan and loose flowing sleeves are acceptable.

Sewn Non-Clothing Exhibits – (SF-50151b)

- Pillowcase
- Simple Pillow – no larger than 18” x 18”
- Bag/Purse – no zippers or button holes
- Other non-clothing item using skills learned in project manual.

Sewn Clothing Exhibits – (SF-50151c)

- Simple top
- Simple pants, shorts, or skirt – no zipper or button holes
- Simple Dress – no zipper or button holes
- Other – other wearable item using skills learned in project manual (apron, vest, etc.)

- **STEAM CLOTHING 2 / Simply Sewing (SF)** – Exhibit one or more of the following in either the Non-Sewn, Sewn Non-Clothing, or Sewn Clothing exhibit divisions:

Non-Sewn Exhibits – (SF-50152a)

- Clothing Portfolio – Complete at least four different samples/activities from Chapters 2, 3 AND/OR 4 of the project manual. The Portfolio should be placed in an 8 ½ x 11, 3 ring binder. Include an appropriate cover, dividers, and table of contents. NOTE – this can be a continuation of a Portfolio created in STEAM Clothing 1. Additional pages can be added each year but must be dated with the year created. See project manual, pages 9-11 for portfolio formatting.
- Expanded Textile Science Scrapbook – Must include at least 10 different textile samples. Use Textile Information Cards template on page 39 in project manual to identify fabric swatches. Completed textile cars should be placed in an 8 ½ x 11, 3 ring binder. Include an appropriate cover. See Project, pages 40-82 for fabric science experiments.
- Design Basics / Understanding Design Principles – Exhibit should include a learning experience that demonstrates the design principles and elements involved when selecting fabric for clothing and accessories. See project manual, pages 17-20 for design suggestions.
- Entrepreneurial Sewing – Exhibit should highlight items you made for sale online. Create an exhibit that displays products you made and posted online. Refer to the project manual, pages 161-167 for information on how to analyze the cost of similar purchased items to determine pricing of your products. The exhibit may be a notebook, poster or small display.

Sewn Non-Clothing Exhibits – (SF-50152b)

- Recycled Clothing Accessory – Create a clothing accessory made from a used item. The item must be changed in some way in the redesign process. The finished accessory must reflect at least one skill learned in the project and exhibitor should be able to identify the skill used. A before picture and a description of the redesign process must accompany the exhibit. Clothing accessory may include: hat, bag, scarf, belt, etc.
- Non-clothing item OR Clothing Accessory – Create a clothing accessory using at least one skill learned in this project. Exhibitor should be able to identify the skill used.

Sewn Clothing Exhibits – (SF-50152c)

- Recycled Clothing – Create a garment from used textile-based items. The original used item must be redesigned (not just embellished or decorated) in some way to create a new wearable piece of clothing. The finished garment must reflect at least one skill learned in this project and exhibitor should be able to identify the skill used. A before picture and a description of the redesign process must accompany the exhibit.
- Constructed garment – Any garment with facings or curves. Should use at least one skill learned in this project and exhibitor should be able to identify the skills used. Garment should be appropriate for the age and experience of the member.

- **STEAM CLOTHING 3 / A Stitch Further (SF)** – Exhibit one or more of the following in either the Non-Sewn, Non-Clothing, or Clothing exhibit divisions:

Non-Sewn Exhibits – (SF-50153a)

- Clothing Portfolio – Complete at least four different samples/activities from Chapters 2, 3 AND/OR 4 of the project manual. The Portfolio should be placed in an 8 ½ x 11, 3 ring binder. Include an appropriate cover, dividers, and table of contents. NOTE – this can be a continuation of a Portfolio created in SEAM Clothing 1 and/or STEA Clothing 2. Additional pages can be added each year but must be dated with the year created. See project manual, pages 11-13 for portfolio formatting.
- Expanded Textile Science Scrapbook – Must include at least 10 different textile samples. Use Textile Information Cards template on page 29 in project manual to identify fabric swatches. Completed textile cards should be placed in an 8 ½ x 11, 3 ring binder. Include an appropriate cover. See Project manual, pages 39-52 for fabric science experiments.
- Advanced Entrepreneurial Sewing – Using knowledge gained in project manual, Chapter 5, display one sample product with a business plan that includes a business ID and logo. The Exhibit may be a notebook, poster or small display.

Sewn Non-Clothing Exhibits – (SF-50153b)

- Recycled Clothing Accessory – Create a clothing accessory made from a used item. The item must be changed in some way in the redesign process. The finished accessory must reflect at least one skill learned in the project and exhibitor should be able to identify the skill used. A before picture and a description of the redesign process must accompany the exhibit.
- Non-clothing item OR Clothing Accessory – Create a clothing accessory using at least one skill learned in this project. Exhibitor should be able to identify the skill used.

Sewn Clothing Exhibits – (SF-50153c)

- Recycled Clothing – Create a garment from used textile based items. The original used item must be redesigned (not just embellished or decorated) in some way to create a new wearable piece of clothing. The finished garment must reflect at least one skill learned in this project and exhibitor should be able to identify the skill used. A before picture and a description of the redesign process must accompany the exhibit.
- Constructed garment – Any garment constructed by the member which is appropriate for the age and experience of the exhibitor. Should use at least one skill learned in this project and exhibitor should be able to identify the skills used. Possible examples are wool garment, dress or jacket with set in sleeves and zipper or buttons and button holes, suits, evening gown or sport outfit.

Any member wanting to show a ‘purchased garment’ should be enrolled in the Shopping in Style Project. Exhibitors must follow the guidelines specified in that project category as listed below. Exhibitors can be enrolled in both STEAM Clothing and Shopping in Style.

SHOPPING IN STYLE

- **SHOPPING IN STYLE / BEGINNING – (SF-50154)** (Choose only one of the following activities from Unit 1 or Unit 2 of the project book.)

- Exhibit should consist of a garment that reflects your personal style along with a poster or report that 1) explains how this garment reflects your style and how it influences what others think of you; **OR 2)** how your personal style either aligns or contradicts what is considered to be “in style” today.
- Exhibit should include a garment you purchased along with a poster or report that explains or illustrates how this garment is either 1) a modern version of a fad or fashion from an earlier decade; **OR 2)** how this garment reflects a different ethnic or cultural influence. Exhibit should include garment you purchased along with a poster or report that provides 1) a body shape discussion and how body shape influences clothing selections; **OR 2)** a color discussion that provides an overview of how different colors complement different hair colors and skin tones and how that influenced garment selection. Poster or report may include pictures from magazines, the internet or actual photos of garments.
- Exhibit should include garment you purchased along with a poster or report that 1) explains how this garment uses the principles of design lines to create an illusion to alter appearance; **OR 2)** explains how color and texture of fabrics can complement or enhance appearance. Poster or report may include pictures from magazines, the internet, or actual photos of garments.

- **SHOPPING IN STYLE / INTERMEDIATE – (SF-50155)** (Choose only one of the following activities from Unit 3 or Unit 4 of the project book.)

- Exhibit should include two clothing items that were previously a part of your wardrobe that still fit but you don’t wear anymore and pair them with something new to make them wearable again. Also include a report that explains why the garment was not being worn and what you did to transform it into a wearable garment again.
- Exhibit should include at least five pieces of clothing that exhibitor can mix and match to create multiple outfits. Include a poster or report that includes a clothing inventory **AND** describes what you have learned by completing this activity.
- Exhibit should include garment you purchased along with a poster or report that 1) includes a wardrobe inventory which indicates why you selected the garment you did, clothing budget, and cost of garment; **OR 2)** explains how advertising influences clothing purchases making a distinction between wants and needs; and how the purchase of this garment compliments and/or extends your wardrobe.
- Exhibit should include garment you purchased along with a poster or report that 1) describes a cost comparison of this item completed by the exhibitor when purchasing the garment; should include variety of shopping options and/or price tracking at stores over a period of time; **OR 2)** provides a quality comparison rating the specific clothing item purchased based on care, construction, cost and unique features; should include construction quality details, design features that influenced selection, cost per wearing, and garment care.

- **SHOPPING IN STYLE / ADVANCED – (SF-50156)** (Choose only one of the following activities from Unit 5 or 6 of the project book.)

- Exhibit should include garment you purchased along with a poster or report that summarizes care requirements not only for this garment but also for garments made of other natural and synthetic fibers; exhibit should also include a care cost analysis for garments of different fibers.
- Exhibit should include a garment you purchased which you have repaired or altered along with a poster or report that provides a clothing inventory list which includes cost savings for repaired items as compared to purchasing replacement garments.
- Exhibit should include multiple garments you purchased along with a poster or report that provides plans and commentary for a fashion show that would capture the attention of an audience. Fashion show plans should identify target audience, include show venue, purpose of the show, and fashion show logistical plan for the fashion show. This should also include a financial plan. Exhibitor should be prepared to demonstrate modeling skills.

- **SEWING & TEXTILES READY4LIFE CHALLENGE – (SF-50157)** – Open to 11-18 year olds enrolled in any Sewing & Textiles project. (See Page 77 for class guidelines.)

- **CLOTHING MAKER CLASS – (SF-50400)** – (See Page 76 for class guidelines.)

FOODS & NUTRITION

FOOD DISPLAY RULES

Recipes must come from the corresponding Project Manuals unless otherwise stated. Follow the exhibit instruction under your Nutrition Project title. All food exhibits must be on a disposable **WHITE** plate and should be displayed in a **self-sealing clear plastic bag**. (NO COLORED WRAP OR DESIGNER / DECORATED PLATES.) A plastic wrapped or bagged food project sample for the Judge to taste should be attached to the food exhibit unless otherwise stated.

NOTE: Members may have more than one entry in the Food classes where applicable.

- **SPORTS NUTRITION (SF-50206)** – Prepare a display, digital presentation, or poster on one of the activity chapters in the manual that you completed. The activity chapters are listed by page number in the table of contents. Your exhibit should include, at minimum, information on one physical fitness component and one food/recipe component from the activity chapter. The exhibit should include the project manual with the pages of the activity completed. You may also include live demonstration of physical activities. Do not bring food made using the recipes but consider adding pictures of the completed recipes to your exhibit. You must furnish any equipment you need for the exhibit. All exhibits must include something visual, such as a printed copy of a digital presentation.

Two Examples for Activity 1:

A: Make a video of yourself practicing flexibility, strength and endurance physical fitness activities and making pasta salad with different vegetable, pasta and dressing ideas. Bring a screen shot and brief description of your video to leave on display.

B: Make a poster of pictures of flexibility, strength and endurance physical fitness activities and information on the results of making the spinach and mandarin orange salad. Include answers to the questions in the book.

- **4-H COOKING 101 (SF-50200)** – Prepare an exhibit of one or more of the following. Members are to use the recipes that are included in the project manual. No icing should be on any products. If you make changes to the recipe, bring a copy of the recipe with your changes. Bars, coffeecake, or cookies should be presented on a **WHITE** disposable plate placed in a **self-sealing clear plastic bag**. A fourth bar, cake or cookie should be wrapped in clear plastic wrap and attached for the judge to sample. **In addition to your food exhibit**, complete the *What's on Your Plate?* Activity on pages 10-11 in the 4-H Cooking 101 project manual. Bring a document with printed pictures of your 3 or more plates and the answers to questions 1-7 to remain on display with your project. The words on the plates must be legible and clearly visible in the picture. Pictures, graphics or photos are acceptable.

- 1) Three (3) cereal marshmallow bars
- 2) One-fourth of an 8" square or round coffeecake
- 3) Three (3) cookies

- **4-H COOKING 201 (SF-50201)** – Prepare an exhibit of one or more of the following. Members are to use the recipes that are included in the project manual. If you make changes to the recipe, bring a copy of the recipe with your changes. Bread, muffins or scones should be presented on a **WHITE** disposable plate placed in a **self-sealing clear plastic bag**. A fourth muffin, scone or slice of bread should be wrapped in clear plastic wrap and attached for the judge to sample. **In addition to your food exhibit**, complete *Experiment with Meal Planning Activity* on page 91 in the 4-H Cooking 201 project manual. Bring either page 91 with your completed answers or a document with the answers to remain on display with your project along with a picture of the meal you prepared. You do not need to complete the Challenge Yourself section on page 91.

- 1) Three (3) scones
- 2) Three (3) cheese muffins
- 3) One-half loaf (9"x5") of basic nut bread

- **4-H COOKING 301 (SF-50202)** – Prepare an exhibit of one or more of the following. Members are to use the recipes that are included in the project manual. If icing is used on the tea ring or sweet rolls, the recipe for the icing must also come from the book. The yeast bread/roll dough may be prepared in a bread making machine; however prepared mixes are not permitted. If you make changes to the recipe, bring a copy of the recipe with your changes. Rolls, bread, tea ring or cake should be presented on a **WHITE** disposable plate placed in a **self-sealing clear plastic bag**. A fourth roll, slice of bread, cake or tea ring should be wrapped in clear plastic wrap and attached for the judge to sample. **In addition to your food exhibit**, complete one of the six experiments: *Experiment with Flour* p. 33-34; *Experiment with Kneading* p. 35-36; *Experiment with Butter* p. 62-63 or *Experiment with Cheese* p. 104-105. Bring a document with a printed picture of your experiment and the answers to the experiment questions to remain on display with your project.

- 1) Three (3) dinner rolls
- 2) One loaf of yeast bread
- 3) One tea ring
- 4) Three (3) sweet rolls
- 5) One layer of Rich White cake or Rich Chocolate cake (top side up with NO frosting)

- **4-H COOKING 401 (SF-50203)** – Prepare an exhibit of one or more of the following. Members are to use the recipes that are included in the project manual. If you make changes to the recipe, bring a copy of the recipe with your changes. Exhibits should be presented on a **WHITE** disposable plate placed in a **self-sealing clear plastic bag**. A slice of bread or cake should be wrapped in clear plastic wrap and attached for the judge to sample. **In addition to your food exhibit**, pick one of the recipes from Cooking 401 that is not a choice for exhibit. Make the recipe and take a picture of the results. Bring a document with a printed picture of the food you made from the recipe and the answers to the following two questions: 1) If you made this recipe again, what would you do differently? 2) What did you learn that can help you in other ways besides preparing food?

- 1) One-fourth of a 15" x 10" loaf of focaccia bread
- 2) One baked pie shell – traditional, oil, or whole wheat (no graham cracker)
- 3) One-fourth Golden Sponge Cake (top side up, without frosting)
- 4) One-half loaf French Bread

- **FOOD SCIENCE 1–4 - (SF-50204)** – Prepare a display, digital presentation, or poster on one of the food science experiments from the manual that you completed. Share 1) the food science question you investigated; 2) process used to conduct the experiment; 3) results and observations; 4) what you learned; and 5) how you have applied this information.
- **FOOD PRESERVATION (SF-50208)** – Prepare an exhibit on one or more of the following food preservation methods: canning; freezing; drying; pickles/relishes; jams, jellies, and preserves OR a combination of these (see Preservation Combination option below), excluding Freezing.

Canning – The exhibit should include two (2) different canned foods in appropriate jars for the products. Food may be fruit, vegetable, or tomato product (i.e. salsa, juice, etc.)

Freezing – Prepare a nutrition display that illustrates a freezing principle. There is NOT a food exhibit option for this preservation method.

Drying – Exhibit two (2) different dried foods packed in plastic food storage bags; include a brief written description of drying procedures used. Choose from fruit, vegetable, fruit leather or meat jerky.

Pickles and Relishes – Exhibit two (2) pint jars of different recipes of pickles (no refrigerator pickles) and/or relishes.

Jams, Jellies, and Preserves – Exhibit half-pint jars of two (2) different jams, jellies, and/or preserves.

Preservation Combination – Exhibit two (2) different preserved food products, excluding Freezing, in appropriate jars/packaging (drying). For example, exhibit 1 jar of tomatoes (Canning) and 1 half-pint of jelly (Jams, jellies, and Preserves).

All preserved products should be prepared and processed according to the current USDA/Extension information. USDA information on preserving food, including recipes, can be found at: www.homefoodpreservation.com or <https://web.extension.illinois.edu/foodpreservation/> Recipes must be processed in a water-bath or pressure canner.

All food exhibits must be labeled with: 1) The name of the food; 2) The date preserved; 3) Appropriate method(s) of food preservation (For canned projects: boiling water bath or pressure canner; For drying projects: Specify equipment used (food dehydrator, oven, etc.))

Examples:

- Strawberry jam, boiling water bath. July 13, 2020.
- Green beans, pressure canner. July 13, 2020.
- Beef jerky, food dehydrator and oven. July 13, 2020.

All food exhibits must be accompanied with the recipe(s) – typed or written, with the source of the recipe(s) listed. **Required Recipes and Sources for Food Preservation Exhibits** – all food preservation recipes be from an approved source. Those sources are:

- *PUT IT UP! Food Preservation for Youth* manuals
- U.S. Department of Agriculture (USDA)
- National Center for Home Food Preservation
- Ball/Kerr Canning (recipes after 1985)
- Mrs. Wages

DO NOT BRING RECIPES FROM: Magazine or newspaper clippings, Pinterest (unless it is from a source listed above), Grandma’s or a recipe from a family member or friend without a source, cookbooks (excluding the Ball, Kerr and Put it Up! Book).

Canning Equipment Requirements: All canned products must be canned in clear, standard jars in good condition (no chips or cracks). Jars must be sealed using two-piece canning lids (flat lid and band). Must use a new, unused flat lid. Bands must not be rusty or severely worn.

- **FOODS INNOVATION CLASS – (SF-50211)** – Open to youth enrolled in any Foods project. Demonstrate the skills and knowledge you have gained through the project. The exhibit may include, but isn't limited to, original recipes, results of experiments not in the foods project books, variations on recipes or experimenting with unique cooking or baking methods. Your work can be displayed by a food product, demonstrations, digital presentations, performances, or posters which you have made. Choose whatever method best shows what you've learned. Your exhibit should not fit in the other exhibit options for this project. All exhibits must include something visual, such as a printed copy of a digital presentation, which will remain on display during the exhibition. If you bring a food product, the food will NOT be tasted.
- **FOODS NUTRITION READY4LIFE CHALLENGE – (SF-50210)** – Open to 11-18 year olds enrolled in any Foods project. (See Page 77 for class guidelines.)
- **FOODS MAKER CLASS – (SF-50400)** – (See Page 76 for class guidelines.)

COUNTY FOODS PROJECTS - No State Fair entries. NO premiums will be paid for County exhibits.

- **BEGINNING CANDY MAKING** - Exhibit 4 pieces of fudge using any recipe of your choosing. Place 3 pieces on a 6" **WHITE** disposable plate placed in a **self-sealing clear plastic bag**. A fourth piece of fudge should be wrapped in clear plastic wrap and attached for the judge to sample.
- **ADVANCED CANDY MAKING** - Exhibit 3 pieces of candy of your choosing (**other than fudge**) on a 6" **WHITE** disposable plate placed in a **self-sealing clear plastic bag**. A fourth piece of candy should be wrapped in clear plastic wrap and attached for the judge to sample.

COMMUNICATIONS – ALL UNITS	
Superintendent.....	Susan Unsicker
Phone	256-3358

COMMUNICATIONS

- **COMMUNICATIONS I (SF-50368)** – For first year enrolled in project, exhibit a binder portfolio showcasing at least three activities from the project manual. Show basic activities and anything that extended lessons. For second and third years in project: include everything from earlier years' work and add section showcasing at least four additional activities per year. Use of page protectors is recommended.
- **COMMUNICATIONS II (SF-50368)** – For first year enrolled in project, exhibit a binder portfolio showcasing at least three activities from the project manual. Show basic activities and anything that extended lessons. For second and third years in project: include everything from earlier years' work and add section showcasing at least four additional activities per year. Use of page protectors is recommended.
- **COMMUNICATIONS III (SF-50368)** - For first year enrolled in project, exhibit a binder portfolio showcasing at least three activities from the project manual. Show basic activities and anything that extended lessons. For second and third years in project: include everything from earlier years' work and add section showcasing at least four additional activities per year. Use of page protectors is recommended.
- **COMMUNICATIONS READY4LIFE CHALLENGE (SF-50370)** – Open to 11-18 year olds enrolled in any Communications project. (See Page 77 for class guidelines.)
- **COMMUNICATIONS MAKER CLASS – (SF-50400)** – (See Page 76 for class guidelines.)

- **CREATIVE WRITING (SF-50367)** - Each member may submit only one entry per class. Each entry is to be typewritten on 8 ½ x 11 paper and include exhibitor's name. Entries must be original and **written for the 4-H project**. Stories should be double-spaced. Poems may be single-spaced.
 - **Rhymed Poetry** – An interpretation of a subject in rhymed verse. Submit a collection of three poems.
 - **Free Style Poetry** – An interpretation of a subject in unrhymed verse. Submit a collection of three poems.
 - **Short Story** – A fiction piece comprised of three basic elements: a theme, a plot and characters. Submit one story, maximum length – 2,000 words.
 - **Essay** – A short non-fiction composition in which a theme is developed, or an idea is expressed. Submit one essay, maximum length – 500 words.
 - **Feature Story** – Nonfiction human-interest story judged on interest to readers, writing style, readability, and thoroughness of coverage. Submit one story, maximum length – 1,000 words.

- **JOURNALISM (SF-50369)** – Exhibit a binder portfolio showing the results of the appropriate year's activities noted below:
 - Year 1:** Accomplishments of a minimum of **five, 2-star** activities from Part 1, answering all the questions in the activities.
 - Year 2:** Results of doing a minimum of **five, 2-star** activities in Part 2, answering all the questions in the activities.
 - Year 3:** Results of doing a minimum of **five, 3-star** activities from Parts 1 and 2. One of the activities must include writing an advance story, a follow-up story or a feature story.
 - Year 4:** Results of doing at least **two, 2-star** activities and **three, 3-star** activities from Part 3. If the activities include making an audio or videotape, you must provide a way for the judge to view or listen to it.

PHOTOGRAPHY

ALL photos in exhibits must have been taken by the exhibitor. Photo/Model releases from individuals pictured in the exhibitor's photographs are required unless the photograph is of a group in a public place where identification would not be an issue. The release can be obtained at:

<https://4h.extension.illinois.edu/members/projects/photography>. Photos may be taken with a camera, an electronic tablet (i.e. iPad), or a cell phone.

ALL photos (including Photo Editing exhibits) must be accompanied by details of the camera settings that include:

- a. Camera/device used
- b. Aperture (F-stop)
- c. Exposure time (shutter speed)
- d. ISO (film/sensor sensitivity)
- e. Lighting used (flash, artificial, sunlight, other)
- f. Photo editing software/application used (required for ALL edits and retouches except for cropping)
- g. Filters used (lens filters and or digital/software filters)

Members are allowed to shoot on a camera's automatic setting, but should be able to find the metadata information on the photo to discuss the information above.

The exhibition size requirements for all photographs will be:

Minimum image size: 5 X 7

Maximum image size: 8 X 10

Maximum exhibit size (including frame): 18 X 20

All exhibitors must include unframed (taped to the back of the framed exhibit or attached to the project booklet) **unedited** versions of either the same subject or the examples of the same technique that the framed image represents. This will assist the judge in understanding the choices made by the photographer to build the exhibited composition.

- **PHOTOGRAPHY I (SF-50268)** – Exhibit one framed photo which demonstrates your understanding of a technique you learned from your Photography 1 project manual. No photo editing is allowed in this class except cropping and red eye removal. Be prepared to show the page in the manual of the technique you are demonstrating.
- **PHOTOGRAPHY II (SF-50269)** –Exhibit **one or both** of the two options listed below:
 - 1) Exhibit one framed 8”x10” close-up photograph using the skills learned on page 62-63 of the project manual titled “Bits and Pieces.” No editing is allowed in this class except cropping and red eye removal.
 - 2) Exhibit one framed 8”x10” photo which demonstrate your understanding of a technique you learned from your Photography 2 project manual. No photo editing is allowed in this class except cropping and red eye removal. Be prepared to show the page in the manual of the technique you are demonstrating.
- **PHOTOGRAPHY III (SF-50270)** – Exhibit **one or both** of the two options listed below:
 - 1) Exhibit one framed 8”x10” still-life photo that demonstrates good composition, including color, form, texture, lighting and depth of field. No photo editing is allowed in this class except cropping and red eye removal.
 - 2) Exhibit one framed 8”x10” which demonstrate your understanding of a technique you learned from your Photography 3 project manual. No photo editing is allowed in this class except cropping and red eye removal. Be prepared to show the page in the manual of the technique you are demonstrating.
- **PHOTO EDITING (SF-50271)** – Exhibit one framed 8”x10” photo that has been altered using digital photo-editing techniques (beyond cropping and red-eye reduction). Include a print of the original photo(s) taped to the back of the photo frame. Photos in which an automatic filter was applied at the time the photograph was taken will not be eligible for award. This class is open to youth enrolled in any of the three photography levels.
- **PHOTOGRAPHY INNOVATION (SF-50272)** – (Open to youth who are enrolled in Photography 1, 2 or 3.) Your exhibit should not fit in the other exhibit options for this project.
 1. Demonstrate the skills and knowledge you have gained through the Photography project. The exhibit may include, but isn’t limited to, original works, objects, demonstrations, digital presentations, programs, websites, games, apps, performances, or posters which you have made. Choose whatever method best shows what you’ve learned. You must furnish any equipment you need for your exhibit. All exhibits must include something visual, such as a printed copy of a digital presentation, which will remain on display during the exhibition.
- **PHOTOGRAPHY READY4LIFE CHALLENGE – (SF-50274)** – Open to 11-18 year olds enrolled in any Photography project. (See Page 77 for class guidelines.)
- **PHOTOGRAPY MAKER CLASS – (SF-50400)** – (See Page 76 for class guidelines.)

PUBLIC PRESENTATIONS

**The 2020 Peoria County Public Presentations will be held on
Tuesday, June 23, 2020, 6 p.m. at the Peoria County Extension Office..**

- **FORMAL SPEECH | Self-written | Notes Allowed | No Props | Individual | 4-8 minutes** - Formal Speeches share the presenter's own unique view and are intended to motivate, persuade, or inform an audience and may include a call to action. Youth deliver a speech on any topic they wish (Original Oratory), or choose one of these four topics on which to speak (Topical Response):
 - Welcome to the Digital Age
 - What is My Connection to the Global Community?
 - Power: Who Has It, Who Doesn't, and Does It Matter?
 - If I Could See Tomorrow...

- **ILLUSTRATED SPEECH | Self-written | Notes Allowed | Illustrations Required | Individual | 4-8 minutes**
Illustrated Speeches may be used to inform, persuade, or motivate the audience while using a visual aid. Visual aids may be two-dimensional, three-dimensional, or digital. Youth may include audience participation. Digital visual aids must be stored on a USB flash drive. Illustrated speeches may be:
 - How-to demonstrations which show the audience how to do something.
 - Object lessons which use objects as metaphors to share a message.

VIDEO/FILMMAKING

Requirements that apply to ALL video classes:

All video submissions must be on DVD or a media storage device (e.g. USB) and should be no longer than five (5) minutes in length (unless noted differently in class description.). Videos are to be original and a result of the member's current year's work. Criteria for judging shall include: 1) Evidence of story line; 2) Use of camera angles; 3) Use of zooming techniques; and 4) Smoothness of scene changes. Image and sound quality will be considered in relation to equipment available to and used by exhibitor. Videos should comply with copyright regulations and display an image that is appropriate for 4-H audiences. No time or date should be imprinted on the video footage. All videos should include an opening title screen, as well as closing credits which include date of production, name of video exhibitor and research sources if appropriate. All Video/Filmmaking exhibitors must include a printed copy of materials which will remain on display. **Exhibitor must provide their own computer to present project.**

- **COMMERCIAL OR PROMOTIONAL VIDEO (SF-50324)** – Prepare a short video (30 seconds to 1 minute in length) that promotes an event, advertises a specific project/product, or is a public service announcement. The video should demonstrate skills in making and editing video.
- **ANIMATED VIDEO (SF-50325)** – Video in this class should represent creative animation of original artwork created by the exhibitor and may include stop motion techniques. Media might include images created with graphics software or hand-drawn images.
- **DOCUMENTARY (SF-50326)** – Video in this class should represent a research-based investigation into a topic of choice. Video credits should list research sources and may include paper or electronically published materials, as well as, and/or interviews with experts or constituents related to the topic of investigation.
- **SHORT STORY or SHORT NARRATIVE (SF-50327)** – Prepare a short video that tells a story. The video should demonstrate skills in making and editing video.
- **VIDEO/FILMMAKING INNOVATION (SF-50328)** – (Open to youth who are enrolled in Video/Filmmaking.) Your exhibit should not fit in the other exhibit options for this project.
 1. Demonstrate the skills and knowledge you have gained through the Video project. The exhibit may include, but isn't limited to, original works, objects, demonstrations, digital presentations, programs, websites, games, apps, performances, or posters which you have made. Choose whatever method best shows what you've learned. You must furnish any equipment you need for your exhibit. All exhibits must include something visual, such as a printed copy of a digital presentation, which will remain on display during the exhibition.
- **VIDEO/FILM READY4LIFE CHALLENGE – (SF-50330)** – Open to 11-18 year olds enrolled in any Video/Film project. (See Page 77 for class guidelines.)
- **VIDEO/FILM MAKER CLASS – (SF-50400)** – (See Page 76 for class guidelines.)

VISUAL ARTS SHOW RULES

- 1) 4-H exhibitors may have an exhibit in each of the different visual art mediums. **It is recommended that exhibitors have no more than TWO exhibits per medium. However, please note premiums are limited to only one per medium.**
- 2) Articles exhibited are to be made by the exhibitor who is a participant in the Visual Arts Project. Articles must have been made **during the current 4-H year** (September 1, 2019 – Show Time). Exhibitors are encouraged to date the project when it is made. **Artwork meant to be displayed on the floor must be limited to 3' wide Artwork or a total exhibit (i.e. multiple pieces) meant to be hung or placed on a shelf is limited to a size of 30"high x 30" wide x 12" deep.**
- 3) Articles exhibited should be from an **original design** created by the exhibitor. **Copyrighted or trademarked designs are not acceptable. Articles made using patterns or pictures from magazines as starting points for designs ARE NOT acceptable.** Kits and preformed molds are not considered original. Team or school logos are not original. Combining parts of different patterns with the member's own ideas can result in an original design, but simply changing the color, pattern and/or size of a pattern does NOT make the design original. (*Exception: Heritage Arts items, class 50341, may follow a pattern.*) This also applies for ideas found on a site such as Pinterest. If you see something on Pinterest that you like, use the concept and create something different using the concept; however it MUST NOT look exactly like something the judge can search for and find on Pinterest.
- 4) Design Source – If a photo, sketch, or other idea source was used, submit it with your entry, **firmly attached to your exhibit OR 1 page report.** Be prepared to explain how and where you got the idea for this project. Photos used as a source should be taken by the artist.
- 5) All items must be properly prepared for exhibit. **Items that are intended to be hung must be prepared for hanging.** The hanging device must be sturdy enough to support the weight of the object. *Drawings and paintings should be matted and framed, preferably under glass. (Exceptions: Oil and acrylic paintings do not require glass and are not required to be matted.) Water color, chalk, pen & ink, computer-generated art, etc. do require glass, acrylic, or some protective covering. There is no specific requirement for the type of mat used. Page 34 of the member's manual gives basic directions for a mat, but purchased, pre-cut mats (which are available at craft and discount stores) are acceptable.*
- 6) Every exhibit will be critiqued in a discussion with the judge. The exhibitor MUST be present for this evaluation. The criteria used will be the "Rubric" which is used by the Illinois Art Education Association and is provided to all Extension units.
- 7) Members wishing to exhibit quilts made from a pattern may enter it in Heritage Arts. Quilts exhibited in the Visual Arts-Heritage Arts area will be evaluated using a visual arts rubric which takes into account correct use of design elements; craftsmanship; and creativity. All work on the quilt MUST be completed by the 4-H member. You cannot exhibit a quilt that was quilted by someone else.
- 8) NOTE: Stepping stones and painted rocks are not acceptable in any Visual Arts exhibit class.
- 9) ONLY originals will be eligible for State Fair (see below.)

State Fair Level - Only original exhibits will be nominated for State Fair. Exhibits that use patterns or pictures from magazines as starting points for designs ARE NOT classified as original. Kits, commercial or preformed mold forms ARE NOT considered original. Changing the color and/or size of a pattern does NOT make the design original. Combining parts of different patterns with the member's own ideas can result in an original design. Design source: If a photo, sketch, or other idea source was used, bring it with you to the judge. Be prepared to explain how and where you got the idea for this project. Photos used as a source should be taken by the exhibitor/artist.

VISUAL ARTS

Exhibitors may use a pattern and/or an idea generated from another source.
- **GLASS/PLASTIC (SF-50340)** - Any **original** item made of glass or plastic. Possible items to exhibit include stained glass, etched glass (original design), mosaics made of glass, glass beading, plastic jewelry (friendly plastic). **Interlocking building block creations (i.e. LEGO) are not suitable for State Fair entry. Stepping stones or wall hangings that include cement decorated with glass or plastic items are not suitable for this class.**
- **HERITAGE ARTS (SF-50341)** – Exhibit an item of **traditional** art learned from another person or from a pattern (NO KITS) may be entered in this class. Non-Original cross-stitched, knitted and crocheted items by pattern fit in this class. ALL ORIGINAL cross-stitched, knitted and crocheted items should be exhibited in Fiber Arts; (machine knitted items ARE NOT acceptable for this class). Other possibilities include: needlepoint, counted cross-stitch, crewel, embroidery, cut work, hardanger (embroidery openwork), macramé, baskets, candles, pysanki (decorated eggs), leather, quilts, baskets (from a traditional pattern), traditional handmade dolls with handmade costumes, or candles. No machine quilting allowed in Heritage Arts. Exhibitors must also bring 1) the pattern or a copy of the pattern they used to create their traditional art; and 2) a description of the traditional origins of their art choice.

- **LEATHER (SF-50321)** – Exhibit one of the following options using leather.
 - **Stamping:** Exhibit should utilize one or more stamping techniques – exhibit examples include items such as belt; coasters; bookmark; key chain; wrist bracelet.
 - **Carving or Tooling:** Exhibit should use simple swivel knife tooling techniques or may incorporate several swivel knife-tooling designs or patterns – exhibit examples include items such as belt; pictorial carving; key case.
 - **Lacing:** Exhibit to include stamping and/or carving techniques incorporated with lacing techniques – exhibit examples include items such as wallets; purses; etc.
 - **Stitching:** Exhibit may include stamping; carving and/or lacing techniques and should be a leather item or article of apparel, which incorporates hand-sewing techniques.

- **METAL (SF-50342)** - Any **original** item made of metal such as sculpture, tin punch, engraved metal, and jewelry. **Items intended for industrial use (such as tools and/or shop items) are not considered part of this Visual Arts project and are not eligible for entry.** Metal items that have been partially or totally created through the use of laser cutting programs/devices should be entered in Computer-Generated Art.

- **NATURE (SF-50343)** - Any **original** item made of natural material such as wreaths, cornhusk dolls, etc. Items should be made of natural materials (which may be purchased) but securing elements such as glue and wire may be used in the inner construction as long as they do not detract from the overall “natural” appearance. Articles such as dried pressed flowers may be displayed under glass since it is necessary for protection/preservation of the natural materials. **Candles are not suitable as entries. All baskets should be entered in Heritage Arts.**

- **PAPER (SF-50344)** - Any **original** item made of paper. Examples could include origami, greeting cards, paper cut designs, paper mache, hand-made paper, paper collage, paper models of architecture (not from a kit), quilling, etc. Paper twist articles, made from directions in craft books and stores ARE NOT original, and ARE NOT appropriate for this class. **Scrapbooks should be exhibited under the Scrapbooking class.**

- **THREE DIMENSIONAL DESIGN/MIXED MEDIA (SF-50348)** – Art pieces in this class must be comprised of at least three different media. No one medium can make up more than 40% of a piece. The piece should be either free-standing or should be prepared to be hung. It must be observable on at least three different sides. Originality and design are important concepts. Craft and preformed or assembled projects are not acceptable.

AEROSPACE

For Aerospace II - IV - You may exhibit **one or both** of the two project types listed below. **Members must be enrolled in at least one of the Aerospace projects in order to exhibit in any of these classes.**

- **MODEL ROCKETRY (SF-50130)** - Exhibit one model rocket assembled or made by the member. The exhibit will be a static display. The model rocket should be in good flying condition. **DO NOT** include the rocket engine with your exhibit. The rockets will not be launched. Attach the printed directions for construction of the rocket if any were used.
- **AEROSPACE DISPLAY (SF-50131)** - Any exhibit related to aerospace that does not fit into the Model Rocketry Class. This may include, but isn't limited to; original works, objects, demonstrations, digital presentations, programs, websites, games, apps, performances, or posters which you have made. All exhibits must include something visual, such as a printed copy of a digital presentation, which will remain on display during the exhibition.
- **AEROSPACE READY4LIFE CHALLENGE – (SF-50133)** – Open to 11-18 year olds enrolled in any Aerospace project. (See Page 77 for class guidelines.)
- **AEROSPACE MAKER CLASS – (SF-50400)** – (See Page 76 for class guidelines.)

UNMANNED AERIAL VEHICLES/SYSTEMS (DRONES)

- **UAV DISPLAY** – Prepare a display related to the Drones/UAV project on the topic of your choosing. The exhibit may include, but isn't limited to, original works, objects, demonstrations, digital presentations, programs, websites, games, apps, performances, or posters which you have made. Choose whatever method best shows what you've learned. You must furnish any equipment you need for your exhibit. All exhibits must include something visual, such as a printed copy of a digital presentation, which will remain on display during the exhibition. Electronic equipment will only be used during your personal judging time and will not remain on display during the entire exhibit period.

- **UAV UNMANNED AERIAL SYSTEMS** – Exhibit one Unmanned Aerial Vehicle and associated system assembled or made by the member. UAV or Drone exhibits in this class must be either originally designed or built from a kit of reconfigurable parts and components. These displays are limited to multicopters (tri, quad, hex, and octocopters), as well as FPV airplanes and flying wings with wingspans up to 36”. The UAV MUST have a Flight Controller and utilize a camera/video transmission system. The exhibit will be a static display. The Drone should be in good flying condition with batteries fully charged, and all UAS components (including video system) ready to demonstrate. DO NOT display your UAV with the propellers on, but rather on the table to the side of your UAV.
- **UAV READY4LIFE CHALLENGE** – Open to 11-18 year olds enrolled in UAV project. (See Page 77 for class guidelines.)
- **UAV MAKER CLASS – (SF-50400)** – (See Page 76 for class guidelines.)

COMPUTER SCIENCE

Exhibitors may include computer equipment if they wish. HOWEVER, 4-H staff is not responsible for the safety or security of any computer equipment. Internet connections are not available for use by exhibitors.

Any member found to be using computer software in a manner that infringes on copyright laws will be disqualified.

- **BEGINNING VISUAL PROGRAMMING** – (Open to youth in Computer Science Visual Based Programming) Exhibit a simple program using Scratch (or other simple graphic programming language). The program should include 8 different commands including looping and getting input from the keyboard and mouse. Bring a board display or a laptop computer to share your work. All exhibits must include something visual, such as a printed copy of a digital presentation, which will remain on display during the exhibition.
- **INTERMEDIATE VISUAL PROGRAMMING (SF-50159)** – (Open to youth in Computer Science Visual Based Programming) Exhibit a program using Scratch (or other simple graphic programming) that you have downloaded from the internet and modified. Compare the two programs and demonstrate the changes you made to the original program; **OR** create an animated storybook using Scratch (or other simple graphical programming language). All exhibits must include something visual, such as a printed copy of a digital presentation, which will remain on display during the exhibition.
- **ADVANCE VISUAL PROGRAMMING (SF-50160)** – (Open to youth in Computer Science Visual Based Programming) Exhibit a video game you have created in Scratch (or other simple graphic programming). All exhibits must include something visual, such as a printed copy of a digital presentation, which will remain on display during the exhibition.
- **WEBSITE DESIGN (SF-50161)** – (Open to youth in Computer Science Visual or Text Based Programming) Exhibit an original website that you have designed. All exhibits must include something visual, such as a poster or printed copy of a digital presentation, which will remain on display during the exhibition.
- **OPEN SOURCE COMPUTER SCIENCE / INNOVATION (SF-50162)** - (Open to youth in Computer Science Text Based Programming or Robotics project). Demonstrate the skills and knowledge you have gained through the computer project. The exhibit may include, but isn't limited to, original works, objects, demonstrations, digital presentations, program, websites, games, apps, performances, or posters which you have made. Choose whatever method best shows what you've learned. Your exhibit should not fit in the other exhibit options for this project. You must furnish any equipment you need for our exhibit. Exhibits in this class may also demonstrate successful application of open source (publicly available) computing software and/or hardware, such as Raspberry Pi and Linux, to accomplish a task. All exhibits must include something visual, such as a poster or printed copy of a digital presentation or programing flowchart, which will remain on display during the exhibition. Exhibits in this area will be judged on the computer science programming. Youth enrolled in a robotics project should choose this class if you want the exhibit to be judged on the programming of the robot.

- **COMPUTER READY4LIFE CHALLENGE – (SF-50164)** – Open to 11-18 year olds enrolled in any Computer project. (See Page 77 for class guidelines.)
- **COMPUTER MAKER CLASS – (SF-50400)** – (See Page 76 for class guidelines.)

3-D PRINTING & DESIGN

Exhibitors are expected to use the engineering design process to complete their designs. This process is important to the outcomes and exhibitors must keep a log outlining the step-by-step notes, sketches, and documentation from throughout the design process. The logbook should define the problem that is being solved/use of the object and describe in detail each step of the Engineering Design Process taken during the creation of the invention.

- **3-D DESIGN – BEGINNER** – No 3-D Printer or 3-D printed object is required for this exhibit. Exhibit a simple 3-D rendered design using Computer Aided Design (CAD) Software such as Tinker CAD or Inventor. The design must be an object that performs a specific task, and may not be based on already existing 3-D models. It must be able to be 3-D printed. Any CAD software can be used, but files must be in .STL format. Bring your design on a Jump Drive to be viewed for judging. Exhibits in this class may not have multiple parts, doors, hinges, or any sort of mechanics.
- **3-D DESIGN – ADVANCED** – Exhibitors are expected to go above and beyond those expectations set in 3-D design beginner. No 3-D Printer or 3-D printed object is required for this exhibit. Exhibit a complex 3-D rendered design using Computer Aided Design (CAD) Software such as Tinker CAD or Inventor. The design must be an object that performs a specific task, and may not be based on already existing 3-D models. It must be able to be 3-D printed. Any CAD software can be used, but files must be in .STL format. Bring your design on a Jump Drive to be viewed for judging. Exhibits in this class **MUST** not have multiple parts, doors, hinges or some sort of mechanistic feature to accomplish a specific task.
- **3-D PRINTING – BEGINNER** – Exhibit a simple 3-D printed object designed using Computer Aided Design (CAD) Software such as Tinker CAD or Inventor. The 3-D printed object must perform a specific task, and may not be based on already existing 3-D models. It must be 3-D printed using **ONLY A COMMERCIALY AVAILABLE HOME/DESKTOP 3-D PRINTER**. In addition, original design files must accompany each exhibit. These files must be in .STL format. Bring your design on a jump drive to be viewed for judging. Exhibits in this class may not have multiple parts, doors, hinges or any sort of mechanics.

Exhibits in this class **MUST** have multiple parts, doors, hinges or any sort of mechanical feature.
- **3-D PRINTING & DESIGN READY4LIFE CHALLENGE** – Open to 11-18 year olds enrolled in any 3-D project. (See Page 77 for class guidelines.)
- **3-D PRINTING & DESIGN MAKER CLASS – (SF-50400)** – (See Page 76 for class guidelines.)

ROBOTICS

- **ROBOTICS I: BEGINNING** – Exhibitors should complete Activities 1-6. Exhibitors will design, build and program a robot that can autonomously follow a predetermined path that changes direction at least 4 times during a single run. They will bring their Robotics Notebook to share what they learned about the engineering design process and programming.
- **ROBOTICS I: INTERMEDIATE (SF-50285)** – Exhibitors should complete 7-12. Exhibitors will design, build and program a robot that uses at least one sensor to autonomously follow a path, respond to, and or avoid obstacles. Exhibitors in this class must use at least one sensor in their robot design. They will bring their robot and Robotics Notebook to share what they learned about the engineering design process and programming.
- **ROBOTICS 2 (SF-50286)** – Exhibitors should complete Activities 1-7. Exhibitors will design, build and program a robot that uses sensors and programming to complete one of the provided challenges. They will bring their robot and Robotics Notebook to share changes they made to the robot and/or program along the way, and to describe their experience with completing the challenge.
- **ROBOTICS INNOVATION / OPEN SOURCE (SF-50292)** – Exhibit an original robot, either homemade or a kit that does not fall under Robotics 1 or 2 that can complete a task using MULTIPLE sensors. If a robot kit is used, then some parts of the robot must be built using other components such as wood, plastic or metal. The robot can include any types of motors, pneumatics or sensors. The Innovation class can also be used for LEGO Mindstorms or Vex kits where the exhibit does not fall under Robotics 1 or 2 exhibit option. Autonomous control of the robot may also be achieved using an “open source” platform such as Arduino or Raspberry Pi and can be programmed using a coding language that is publicly available. Exhibitors in Robotics Innovation/Open Source class must bring a detailed engineering notebook that describe how the exhibitor designed, built and programmed the exhibit.
- **ROBOTICS READY4LIFE CHALLENGE – (SF-50293)** – Open to 11-18 year olds enrolled in any Robotics project. (See Page 77 for class guidelines.)
- **ROBOTICS MAKER CLASS – (SF-50400)** – (See Page 76 for class guidelines.)

JUNKDRAWER ROBOTICS

All exhibits should be original designs made with everyday objects and materials. Exhibits with purchased kits will not be accepted. Exhibitors are also required to bring their Junk Drawer Robotics Youth Robotics Notebook with the sections completed for the project they are exhibiting including the sections leading up to the activity they are exhibiting. For example, if a youth is bringing Activity E from Junk Drawer Level 1, they should have robotics notebook sections A-E completed.

- **JUNKDRAWER ROBOTICS I** – Exhibit any item from the “To Make” activity from the Junk Drawer Robotics Level 1 Book. Be sure all robotics notebook sections within the module being exhibited are filled in.
- **JUNKDRAWER ROBOTICS II (SF-50288)** – Exhibit any item from the “To Make” activity from the Junk Drawer Robotics Level 2 Book. Be sure all robotics notebook sections within the module being exhibited are filled in.
- **JUNKDRAWER ROBOTICS III (SF-50289)** – Exhibit any item from the “To Make” activity from the Junk Drawer Robotics Level 3 Book. Be sure all robotics notebook sections within the module being exhibited are filled in.

ELECTRICITY

During conference judging, the exhibitor should be prepared to discuss how the exhibited item is to be used, the way it was assembled, and disassemble a part(s) to see how the exhibited item works. It is strongly suggested that members use recommended construction details including proper color coding provided by the Energy Education Council (EEC). <https://energyedcouncil.org/4-h/>

- **ELECTRICITY I (SF-50177)** – (May only be battery-powered projects using battery components and wiring.) Exhibit a momentary switch, simple switch, basic circuit, electromagnet, galvanometer, **OR** an electric motor. All electricity projects must include a written report explaining how the project was constructed and the principles demonstrated. Recommendations can be found on the website. **Projects using paper clips, cardboard, thumbtacks, & brads are not eligible for state fair exhibits.**
- **ELECTRICITY II (SF-50178)** – (May only be battery-powered projects using battery components and wiring.) Exhibit a circuit board demonstrating parallel and series switches, including a circuit diagram **OR** 3-way or 4-way switches circuit using DC/battery **OR** Basic electrical device (examples: Rocket launcher, burglar alarm, etc). All projects must include a written report explaining how the project was constructed, and principles demonstrated. Recommendations can be found on the website. **Projects using paper clips, cardboard, thumbtacks, & brads are not eligible for state fair exhibits.**
- **ELECTRICITY III (SF-50179)** - Exhibit a 120V lighting fixture or other appliance which uses a switch; **OR** two electrical household circuits using 120V materials to comply with National Electrical Code, one with a simple on/off switch to control bulb, and one using 3-way switches to control light from two locations; **OR** other project which demonstrates principles in the *Wired For Power* book. All electricity projects must include a written report, explaining how the project was constructed, and principles for its operation. Recommendations can be found on the website.
- **ELECTRICITY READY4LIFE CHALLENGE – (SF-50181)** – Open to 11-18 year olds enrolled in any Electricity project. (See Page 77 for class guidelines.)
- **ELECTRICITY MAKER CLASS – (SF-50400)** – (See Page 76 for class guidelines.)
- **ELECTRICITY IV, Entering Electronics** – Exhibit any electronic or solid-state appliance. Exhibitor must be able to explain how your project was constructed, how it is to be used and how it works. When project is being constructed, general safety and workmanship should be considered.

WOODWORKING

- **WOODWORKING I (SF-50357)** - *Measuring Up* - Any item made of wood constructed or refinished by the member, appropriate for their age, skills and ability in this project. *Pre-cut kits assembled by the member are not acceptable.*
- **WOODWORKING II (SF-50358)** - *Making the Cut* - Any item made of wood constructed or refinished by the member, appropriate for their age, skills and ability in this project. *Pre-cut kits assembled by the member are not acceptable.*
- **WOODWORKING III (SF-50359)** - *Nailing it Together* – Any item made of wood constructed or refinished by the member, appropriate for their age, skills and ability in this project. *Pre-cut kits assembled by the member are not acceptable.*
- **WOODWORKING IV (SF-50360)** - *Finishing It Up* – Any item made of wood constructed or refinished by the member, appropriate for their age, skills and ability in this project. *Pre-cut kits assembled by the member are not acceptable.*

- **WOODWORKING READY4LIFE CHALLENGE – (SF-50362)** – Open to 11-18 year olds enrolled in any Woodworking project. (See Page 77 for class guidelines.)
- **WOODWORKING MAKER CLASS – (SF-50400)** – (See Page 76 for class guidelines.)

SMALL ENGINES

Displays must be no larger than 4' x 4' display board. No complete engines, lawn tractors, tillers, chainsaws, etc. are permitted for display.

- **SMALL ENGINES 1-3 (SF-50294)** – Exhibit a display, selecting one of the following options:
 1. Ignition System: Identify the parts of the Ignition System and explain how magnetic energy is produced through the ignition system to ignite the spark plug.
 2. Compression System: Explain how heat energy is produced by an engine and converted into mechanical energy.
 3. Heat Transfer: Explain how heat is transferred through the cooling and lubrication system of an air cooled or water cooled engine.
 4. Filter Maintenance: Explain the proper maintenance and cleaning of the air, fuel, and oil filters of an engine.
 5. What does a Serial Number Reveal?: Explain the various information that can be learned from the serial number or identification number stamped on the shroud of a Briggs & Stratton engine.
 6. Tools to do the Job: Identify and explain the function(s) of different specialty tools needed for small engine work.
 7. Experimentation: Explain through illustration an experiment you conducted from the project manual showing the results of your work.
- **SMALL ENGINES READY4LIFE CHALLENGE – (SF-50297)** – Open to 11-18 year olds enrolled in any Small Engines project. (See Page 77 for class guidelines.)
- **SMALL ENGINES MAKER CLASS – (SF-50400)** – (See Page 76 for class guidelines.)

TRACTOR CARE

- **TRACTOR A, Starting Up (SF-50306)** – Exhibit a display or poster that illustrates one of the following topics: tractor safety; care and maintenance; the tractor as a valuable farm machine; or an activity listed in the project manual.
- **TRACTOR B, Tractor Operation (SF-50307)** – Exhibit a display or poster that illustrates one of the following topics: cause and prevention of rollovers, diagram how an air cleaner works, diagram & identify an engine cooling system, regulations for battery & oil disposal, or another activity listed in the 4-H project manual.
- **TRACTOR C, Moving Out (SF-50308)** – Exhibit a display or poster that illustrates one of the following topics: wagon and bin hazards, diagram and identify open and closed hydraulic systems, mower types and safety features, conveyor types and safety features, or another activity listed in the 4-H project manual.
- **TRACTOR D, Learning More (SF-50309)** – Exhibit a display or poster that illustrates one of the following topics: method of winterizing a tractor, chemical uses and required safety equipment, parts and process of internal combustion engine, procedure for cleaning and flushing tractor radiator, or another activity listed in the 4-H project manual.

- **TRACTOR INNOVATION (SF-50310)** – (Open to youth enrolled in Tractors A, B, C or D.) Your exhibit should not fit in the other exhibit options for this project.
 1. Demonstrate the skills and knowledge you have gained through the Tractor project. This could be related to but not limited to, advancements in technology, enhancements to crop production, or a topic of interest to the member related to tractors or farm machinery. The exhibit may include, but isn't limited to, original works, objects, demonstrations, digital presentations, programs, websites, games, apps, performances, or posters which you have made. Choose whatever method best shows what you've learned. You must furnish any equipment you need for your exhibit. All exhibits must include something visual, such as a printed copy of a digital presentation, which will remain on display during the exhibition.
- **TRACTOR READY4LIFE CHALLENGE – (SF-50312)** – Open to 11-18 year olds enrolled in any Tractor project. (See Page 77 for class guidelines.)
- **TRACTOR MAKER CLASS – (SF-50400)** – (See Page 76 for class guidelines.)

TRACTOR DRIVING CONTEST

Two age categories: 8-9 years as of September 1, 2019
 10-18 years as of September 1, 2019

There will be a timed course. The younger age group will be driving a lawn mower. The older group will be using a compact utility tractor. This contest will be held from 4:00-6:00 p.m. on **Thursday, July 30. Location to be announced.** Sharpen your driving skills and take part in this fun event!!! Sponsored by the Peoria County Farm Bureau. Awards are given to top drivers.

WELDING

- **WELDING (SF-50353)** – (This exhibit class is open to members who are in the 7th grade and higher.) Exhibit one (1) Arc weldment/item demonstrating the skill level of the exhibitor. Members new to the project should consider selecting a weldment from the suggested *Weldment List* found on page 43 of *Arcs and Sparks-Shielded Metal Arc Welding*. **This class is for industrial welding only.** Exhibits that were created with an artistic appeal should be entered in Visual Arts-Metal.
- **WELDING READY4LIFE CHALLENGE – (SF-50355)** – Open to 11-18 year olds enrolled in any Welding project. (See Page 77 for class guidelines.)
- **WELDING MAKER CLASS – (SF-50400)** – (See Page 76 for class guidelines.)

NATURAL RESOURCES & ENVIRONMENT

Superintendent..... Carol Krosse
Phone274-9276

NATURAL RESOURCES

- **NATURAL RESOURCES I (SF-50256)** – Exhibit any item or display developed from the project book, *Step Into Nature*.
- **NATURAL RESOURCES II (SF-50257)** – Exhibit any item or display developed from the project book, *Explore the Natural World*.
- **NATURAL RESOURCES III (SF-50258)** – Exhibit any item or display developed from the project book, *Blaze the Trail*.
- **OUTDOOR ADVENTURES I – III (SF-50259)** – Exhibit a display illustrating an activity completed from the project manual.
- **NATURAL RESOURCES READY4LIFE CHALLENGE – (SF-50267)** – Open to 11-18 year olds enrolled in any Natural Resources or Outdoor Adventures project. (See Page 77 for class guidelines.)
- **SPORT FISHING I (SF-50260)** - Exhibit a product or display made to complete the activities in the *Take the Bait* project manual. This could include, but is not limited to, displays on: different types of fishing tackle, identifying different baits and their uses (no actual bait, please) or identifying the anatomy of a fish. ***For safety reasons, lures must be placed in a plastic case.***
- **SPORT FISHING II (SF-50261)** - Exhibit a product or display made to complete the activities in the *Reel in the Fun* project manual. This could include, but is not limited to, displays on: different types of knots or rigs and their use; a collection of fishing lures, labeled with their use; or information on preparing and cooking fish (not recipes). ***For safety reasons, lures must be placed in a plastic case.***
- **SPORT FISHING III (SF-50262)** - Exhibit a product or display made to complete the activities in the *Cast into the Future* project manual. This could include, but is not limited to, displays on: making artificial flies and lures; researching effects of water temperature; sports fishing careers; or identifying insects that fish eat. ***For safety reasons, lures must be placed in a plastic case.***
- **WILDLIFE 1 (SF-50266)** – Exhibit any activity developed from the project manual. Be able to explain the importance of and concept behind the exhibit.
- **WILDLIFE 2 (SF-50263)** – Exhibit any activity developed from the project book. (Ex. Create a display of the life history of an animal.) Within the exhibit explain the importance of and concept behind the exhibit.
- **WILDLIFE 3 (SF-50265)** – Exhibit any activity developed from the project book. Within the exhibit explain the importance of and concept behind the exhibit.
- **SPORT FISHING & WILDLIFE READY4LIFE CHALLENGE – (SF-50291)** – Open to 11-18 year olds enrolled in any Sport Fishing or Wildlife project. (See Page 77 for class guidelines.)
- **NATURAL RESOURCES MAKER CLASS – (SF-50400)** – (See Page 76 for class guidelines.)

- **EXPLORING YOUR ENVIRONMENT I - *Ecosystem Services*** – Prepare a display or poster that illustrates an activity from the project manual. The display should demonstrate an understanding of natural and/or manmade environments, how humans affect the environment, or how the environment affects our lives. Include your project manual that documents activity recordkeeping, your answers to activity questions, and details the exhibitor’s thoughts and ideas.
- **EXPLORING YOUR ENVIRONMENT II – *Earth’s Capacity*** – Prepare a display or poster that illustrates an activity from the project manual. The display should demonstrate an understanding of one of the following: stewardship of natural resources, investigating greenhouse effects on living organisms, methods of reducing or managing waste in your home or community, or calculating your ecological footprint. Include your project manual that documents activity recordkeeping, your answers to activity questions, and details the exhibitor’s thoughts and ideas.

FORESTRY

- **FORESTS OF FUN 1, (SF-50212)** – Exhibit any product or display illustrating an activity from the project book. The exhibit may include, but isn’t limited to, original works, objects, demonstrations, digital presentations, programs, websites, games, apps, performances, or posters which you have made. All exhibits must include something visual, such as a printed copy of a digital presentation, which will remain on display during the exhibition.
- **FORESTS OF FUN 2, (SF-50213)** – Exhibit any product or display illustrating an activity from the project book. The exhibit may include, but isn’t limited to, original works, objects, demonstrations, digital presentations, programs, websites, games, apps, performances, or posters which you have made. All exhibits must include something visual, such as a printed copy of a digital presentation, which will remain on display during the exhibition.
- **FORESTS OF FUN 3, (SF-50214)** – Exhibit any product or display illustrating an activity from the project book. The exhibit may include, but isn’t limited to, original works, objects, demonstrations, digital presentations, programs, websites, games, apps, performances, or posters which you have made. All exhibits must include something visual, such as a printed copy of a digital presentation, which will remain on display during the exhibition.
- **FORESTRY READY4LIFE CHALLENGE – (SF-50216)** – Open to 11-18 year olds enrolled in any Forestry project. (See Page 77 for class guidelines.)
- **FORESTRY MAKER CLASS – (SF-50400)** – (See Page 76 for class guidelines.)

WEATHER

- **WEATHER AND CLIMATE SCIENCE 1 – (SF-50392)** – Exhibit any product or display illustrating an activity from the book. The exhibit may include, but isn’t limited to, original works, objects, demonstrations, digital presentations, programs, websites, games, apps, performances, or posters which you have made. Choose whatever method best shows what you’ve learned. You must furnish any equipment you need for your exhibit. All exhibits must include something visual, such as a printed copy of a digital presentation, which will remain on display during the exhibition.
- **WEATHER AND CLIMATE SCIENCE 2 – (SF-50393)** – Exhibit any product or display illustrating an activity from the book. The exhibit may include, but isn’t limited to, original works, objects, demonstrations, digital presentations, programs, websites, games, apps, performances, or posters which you have made. Choose whatever method best shows what you’ve learned. You must furnish any equipment you need for your exhibit. All exhibits must include something visual, such as a printed copy of a digital presentation, which will remain on display during the exhibition.

- **WEATHER AND CLIMATE SCIENCE 3 – (SF-50394)** – Exhibit any product or display illustrating an activity from the book. The exhibit may include, but isn't limited to, original works, objects, demonstrations, digital presentations, programs, websites, games, apps, performances, or posters which you have made. Choose whatever method best shows what you've learned. You must furnish any equipment you need for your exhibit. All exhibits must include something visual, such as a printed copy of a digital presentation, which will remain on display during the exhibition.
- **WEATHER READY4LIFE CHALLENGE – (SF-50395)** – Open to 11-18 year olds enrolled in any Weather project. (See Page 77 for class guidelines.)
- **WEATHER MAKER CLASS – (SF-50400)** – (See Page 76 for class guidelines.)

ENTOMOLOGY

- *Size of exhibit should relate appropriately to the number of insects being displayed for a specified class. Cases should be no deeper than 4". Exhibitors should note that Entomology exhibits may be placed UPRIGHT for display.*
- **ENTOMOLOGY I (SF-50183)** – Exhibit 15 or more species representing four or more orders. Collection must be correctly pinned and accurately labeled. Exhibitors must also include the Entomology I project manual, with at least one completed activity for each year enrolled.
- **ENTOMOLOGY II (SF-50184)** - Exhibit 30 or more species representing eight or more orders. Collection must be correctly pinned and accurately labeled. Exhibitors must also include the Entomology II project manual, with at least one completed activity for each year enrolled.
- **ENTOMOLOGY III (SF-50185)** – Exhibit 60 or more species representing 12 or more orders. Collection must be correctly pinned and accurately labeled. Exhibitors must also include the Entomology III project manual, with at least one completed activity for each year enrolled.
- **ENTOMOLOGY DISPLAY, OTHER (SF-50186)** – Exhibit any activity or display from the Entomology project manuals that does not fit into classes I, II or III above. The exhibit may include, but isn't limited to, original works, objects, demonstrations, digital presentations, programs, websites, games, apps, performances, or posters which you have made. All exhibits must include something visual, such as a printed copy of a digital presentation, which will remain on display during the exhibition.
- **ENTOMOLOGY READY4LIFE CHALLENGE – (SF-50187)** – Open to 11-18 year olds enrolled in any Entomology project. (See Page 77 for class guidelines.)
- **ENTOMOLOGY MAKER CLASS – (SF-50400)** – (See Page 76 for class guidelines.)

BEEKEEPING - Note: No bee hives may be exhibited.

- **BEEKEEPING 1 (SF 50188)** - Exhibit an educational display for one (1) of the following:
 - Flowers Used to Make Honey. Display pressed flowers from ten (10) different Illinois plants that bees use for making honey.
 - Uses of Honey and Beeswax.
 - Setting up a Bee Hive.
 - Safe Handling of Bees.
 - Equipment needed by a Beekeeper.

- **BEEKEEPING 2 SF 50189** - Exhibit an educational display for one (1) of the following:
 - Extracted Honey: Three (3) 1# jars, shown in glass, screw-top jars holding 1 # of honey each.
 - Chunk honey (comb in jar): Three (3) 1# jars (wide-mouth glass jars).
 - Cut-comb honey: Three (3) 1# boxes (boxes are usually 4 ½" x 4 ½").
 - Section honey: Three (3) sections of comb honey (in basswood boxes or Ross rounds.)
 - Working with Honey Bees. Present a topic from your manual to teach fairgoers about working with honey bees. Use your knowledge and creativity to display this information on a poster or in a notebook.
- **BEEKEEPING 3 (SF 50190)** - Exhibit three (3) of the five (5) kinds of honey listed below (#1-5) or prepare an educational display about honey bees or beekeeping.
 1. Extracted Honey: Three (3) 1# jars (glass)
 2. Chunk Honey (comb in a jar): Three (3) 1# jars (wide-mouth glass)
 3. Cut-comb Honey: Three (3) 1# boxes (boxes are usually 4 ½" x 4 ½" in size).
 4. Comb Honey- 3 sections (honey built by bees in frames of wood commonly called "sections" (boxes are usually 4 ½" x 4 ½" in size)
 5. Section honey: Three (3) sections of comb honey (in basswood boxes or Ross rounds)
 6. Prepare an educational display about honey bees or beekeeping.
- **BEEKEEPING READY4LIFE CHALLENGE – (SF-50191)** – Open to 11-18 year olds enrolled in any Beekeeping project. (See Page 77 for class guidelines.)
- **BEEKEEPING MAKER CLASS – (SF-50400)** – (See Page 76 for class guidelines.)

GEOLOGY

Size and number of exhibit cases should relate appropriately to the number of specimens being displayed for a specified class. **If possible, displays should include rocks and minerals that were found by the member and not purchased.** Specimens are not limited to Illinois locations.

- **PEBBLE PUPS I (SF-50218)** - Display 8 to 19 rocks and mineral specimens with 3 minerals in the collection. Collection may include duplications that show variations. Label collection and note location where found.
- **PEBBLE PUPS II (SF-50219)** - Display at least 20, but no more than 29, rocks and mineral specimens with 7 minerals in the collection. Collection may include duplications that show variations. Label collection and note location where found.
- **ROCK HOUNDS I (SF-50220)** - Display at least 30 but no more than 40, rocks and mineral specimens with 10 minerals in the collection. Rocks should include at least 3 igneous, 2 metamorphic and 3 sedimentary groups. Label collection and note location where found.
- **ROCK HOUNDS II (SF-50221)** –Display no more than 50 specimens that have been selected to illustrate a specific theme of the exhibitor's choosing. Be creative. Sample categories could include (but are not limited to): industrial minerals and their uses; a specific rock group and the variety that occurs in that group, including some minerals that occur in that environment; select fossils traced through the geologic ages; minerals and their crystal habits; rocks and minerals used in the lapidary arts.
- **GEOLOGY READY4LIFE CHALLENGE – (SF-50224)** – Open to 11-18 year olds enrolled in any Geology project. (See Page 77 for class guidelines.)
- **GEOLOGY MAKER CLASS – (SF-50400)** – (See Page 76 for class guidelines.)

- **GEOLOGY INNOVATION (SF-50222)** – (Open to youth who are enrolled in Geology.) Your exhibit should not fit in the other exhibit options for this project.

1. Demonstrate the skills and knowledge you have gained through the Geology project. Exhibit may be the result or knowledge gained from project manuals; independent study about Illinois rock(s) and mineral(s), interaction with geology professionals; and/or individual exploration in the area of geology. The exhibit may include, but isn't limited to, original works, objects, demonstrations, digital presentations, programs, websites, games, apps, performances, or posters which you have made. Choose whatever method best shows what you've learned. You must furnish any equipment you need for your exhibit. All exhibits must include something visual, such as a printed copy of a digital presentation, which will remain on display during the exhibition

SHOOTING SPORTS - Members must be a member of an approved 4-H Shooting Sports Club to exhibit.

Shooting Sports Displays are prohibited from displaying the following.

- No live ammunition
- No knives or arrow tips (including field points, hunting broadheads, etc.)
- No functional or non-functional bows, firearms or firearm parts that could be reassembled are allowed.
- No humanoid shaped targets or reference to paintball, laser tag, air-soft, or pointing of any type of firearm or bow toward another person is allowed.
- No display involving primarily tactical design firearms (i.e. AR platform or military type firearms)
- No reference or use of the work "weapon" should be used in a display.
- Make sure there are no safety violations in your display. (Example: no earplugs or safety glasses in a picture of a person shooting a firearm.)

- **SHOOTING SPORTS ARCHERY – (SF-50401)** – Exhibit a poster depicting safe archery handling, range safety, the parts of the bow, tracking the target, target sighting, or another topic you have learned through the 4-H Shooting Sports program.

- **SHOOTING SPORTS RIFLE .22 / AIR RIFLE – (SF-50402)** - Exhibit a poster depicting safe firearm handling, range safety, the parts of the rifle, tracking the target, target sighting, or another topic you have learned through the 4-H Shooting Sports program.

- **SHOOTING SPORTS SHOTGUN – (SF-50403)** - Exhibit a poster depicting safe firearm handling, range safety, the parts of the shotgun, tracking the target, target sighting, or another topic you have learned through the 4-H Shooting Sports program.

- **SHOOTING SPORTS ARCHERY, RIFLE or SHOTGUN EVENT** – (This is NOT held during 4-H Show... Will be held on your last day of program.) Participate in either a club's final or year ending shooting event or a county-wide shooting match. Exhibitors will be awarded placings/ratings based on performance.

- **SHOOTING SPORTS READY4LIFE CHALLENGE – (SF-50406)** – Open to 11-18 year olds enrolled in any Shooting Sports project. (See Page 75 for class guidelines.)

- **SHOOTING SPORTS MAKER CLASS – (SF-50400)** – (See Page 76 for class guidelines.)

<p>PLANTS & SOILS / HORTICULTURE Superintendent..... Hannah Hausam Phone</p>

PLANT & SOILS

- **PLANTS & SOILS I, It's More than Just Dirt** – Prepare a display or poster that illustrates an activity from the project manual. The display should demonstrate an understanding of environmental and internal factors that affect plant growth. Include your project journal that documents activity recordkeeping requirements, answers activity questions, and details personal thoughts and ideas.
- **PLANTS & SOILS II, Stems and Stamens** – Prepare a display or poster that illustrates an activity from the project manual. The display should demonstrate an understanding of the composition of plants, the functions of individual plant parts, plant life cycles, and the many ways plants reproduce. Include your project journal that documents activity recordkeeping, answers activity questions, and details personal thoughts and ideas.
- **PLANTS & SOILS III, Sprouting Out and Growing Up** – Prepare a display or poster that illustrates an activity from the project manual. The display should demonstrate an understanding of environmental and internal factors that affect plant growth. Include your project journal that documents activity recordkeeping requirements, answers activity questions, and details personal thoughts and ideas.
- **PLANTS & SOILS READY4LIFE CHALLENGE** – Open to 11-18 year olds enrolled in any Plants & Soils project. (See Page 77 for class guidelines.)
- **PLANTS & SOILS MAKER CLASS – (SF-50400)** – (See Page 76 for class guidelines.)

FLORICULTURE

- **FLORICULTURE A (SF-50192)** – Exhibit one or more of the following options:
 1. Create a flower arrangement; either a round arrangement or a bud vase. **No silk flowers are permitted.**
 2. Create a photo collage or a collection of pictures of flowers that you have raised. Label your flowers by name and tell if you started with a seed, cutting or transplants. Mount pictures on a poster board.
 3. Exhibit in one container, 3 stems of blooms – each with attached foliage. Foliage that would go inside the container may be removed. All three blooms or stems to be the same variety, color, shape and size. Must have been grown from seed, young seedling plants, bulbs or rhizomes by exhibitor. (NOTE: Exhibitors choosing lilies should include no more than 2/3 of foliage for their exhibit.)
- **FLORICULTURE B (SF-50193)** – Exhibit one or more of the following options:
 1. Create an artistic display of dried flowers explaining how each was dried.
 2. Create a photo collage or collection of pictures of plants from your theme garden. Label your plants by name and explain how the plants were chosen to fit the theme.
- **FLORICULTURE C (SF-50194)** – Exhibit one or more of the following options:
 1. Create a terrarium. Selected plants should be started by the exhibitor from cuttings or seeds or as purchased plugs. The terrarium must be cared for by the exhibitor for at least 5 months. Exhibitor should be able to explain the different plant, soil, and environmental needs and watering requirements of a closed system.
 2. Exhibit a plant that you propagated from cuttings. Create a photo board showing the progression of growth. Tips for vegetative propagation of houseplants can be found at University of Illinois Extension houseplants, <http://urbanext.illinois.edu/houseplants/default.cfm>

- **FLORICULTURE D (SF-50195)** – Exhibit one or more of the following options:

BICYCLES

Superintendent Carol Krosse
Phone 274-9276

- **BICYCLE I** – Exhibitors will draw three situations from a bag that relate to activities from Level I and discuss/explain all three with the judge. Situations may include: Selecting bicycle safety equipment; demonstrate how to fit a helmet; identify bike parts and their function; selecting the right size bike; how to check bicycle tires, brakes and chains; recognizing traffic signs and their meaning; general discussion of bicycling hazards; and items to consider when planning a bike trip.
- **BICYCLE II** - Exhibitor will draw three situations from a bag that relate to activities from Level 2 and discuss/explain all three with the judge. Situations may include: Factors to consider when choosing a bike; comparing tire pressure, valve type and tread; steps in fixing a flat tire; steps to follow when cleaning, lubricating and replacing a bike chain; evaluating the braking system on a bicycle; factors to consider when mapping out a bike route; rules for smart bike riding; and planning a menu for an all day bike ride.
- **BICYCLE READY4LIFE CHALLENGE** – Open to 11-18 year olds enrolled in any Bicycle project. (See Page 77 for class guidelines.)
- **BICYCLE MAKER CLASS – (SF-50400)** – (See Page 76 for class guidelines.)

MAKER CLASS

Maker Class: Exhibits in this category are designed to be multi-disciplinary in nature, innovative, and must not fit into any other exhibit category. To qualify for this category, your project **MUST** abide by the following guidelines

- Exhibits must be an object or device that as an intended purpose and uses technology in either a mechanical way, digital (computer) way, or combination of the two.
- The device must be something that can be used in everyday life by multiple people (a target audience), and **MUST** be manufactured/built by the exhibitor (If not fully manufactured by the exhibitor, the device **MUST** be modified structurally or be reprogramed to perform a different function other than what it was designed to do.)
- Exhibit **MUST** be able to interact with the outside world. (e.g. an on off switch, input sensors, feedback, etc.)
- Exhibits **MUST** include a detailed build log with instructions on how to make or build the exhibit, **AND** contain either a 3D rendering or detailed and labeled sketches of the device/product.
- All parts and software used in the design/build **MUST** be listed in a detailed Bill of Materials, including cost per item and total cost. Total time spent on the build must be documented in your build log.

In addition, exhibitors are **HIGHLY** encouraged to use tools such as 3-D printers, laser cutter, routers and/or other hand/power tools to help I the manufacturing process (**NOTE: Simply 3-D printing or laser cutting an object without the other specifications does not qualify as a Maker Project**). It is also **HIGHLY** encouraged that exhibits use Open Source Software and/or Hardware in the build.

Ready4Life Challenge

Ready4Life Challenge: (Open to 11-18 year olds enrolled any of the projects eligible for this class.) – Exhibits in this category must include the following: a) a physical representation of the career or business product such as a model, prototype or display/portfolio that includes images of accomplished work; b) verbal or written explanations that demonstrate knowledge of the related career or business fields, potential careers, and the appropriate requirements for achievement in those fields. The judging criteria for this class values thoroughness of career and/or business exploration and pursuit above the workmanship of the physical specimen on display.

CLOVERBUDS

CLOVERBUDS – Bring one or more exhibit items that were completed in 2019-2020 to display at the Cloverbud Exhibit Area. This is for ages 5-7 that are not eligible to exhibit in 4-H. Cloverbuds are not eligible to receive a premium or a trophy, but they can be judged, receive a participation ribbon and exhibit their project(s).

- Little Roots Garden – Bring a plate of vegetables grown, or vase of cut zinnia flowers or sunflower, or a poster on what you learned in project.

PREMIUM RATES FOR 2020

IMPORTANT NOTE: “The Department of Agriculture shall use its best efforts to secure sufficient appropriations to fund premiums. In any year for which the General Assembly of the State of Illinois fails to make an appropriation sufficient to pay such premiums, premium amounts may not be accurately reflected in this Premium Book.”

Tax Implications For Prizes, Gifts or Awards

Program Participants (including minors) will be required to provide their social security number or foreign national tax ID number prior to receiving a prize, gift or award (over \$100) to ensure proper IRS reporting as required by law. This sensitive information is kept confidential and handled through security protected software (PEAR). Participants will not be eligible for prize, gift or award if social security or foreign national tax ID information is not provided.

The premium payment is outlined below. Premiums will be calculated using the "unit" system. Premiums are listed according to their **UNIT** value rather than their dollar value.

Area I Projects

Beef, Dairy, Goats, Horse & Pony, Sheep & Swine

Area II Projects

Cats, Dogs, Poultry, Rabbits, & Clothing

Area III Projects

Visual Arts, Child Care, Communications, Food & Nutrition, Plants & Soils, Home Furnishings, Natural Sciences, Animal Sciences, Mechanical Sciences, Computer Sciences, Small Pets, & Performing Arts

- 1) **The actual dollar value of the “Unit” will not be determined until after the completion of the 4-H Show.**
Premium checks will be available shortly after the show.
- 2) **COUNTY PROJECTS THAT DO NOT RECEIVE A PREMIUM ARE:** Candy-Making and Reading.

Intent to Participate in 4-H Auction

Friday, July 31 – 7:00 PM

Exposition Gardens

____ Yes, I will participate in the Peoria County 4-H Auction on Friday, July 31, at 7:00 PM. I have read and agree with the 4-H Auction Guidelines in the Peoria County Show Book. I understand animals to be auctioned must be market animals (except horses) and a 2020 4-H project that was exhibited at the Peoria County 4-H Show. All projects must meet quality requirements listed in Auction Guidelines. I agree that if I continue to show my animal (i.e. State Fair) all terms of sale must be completed by September 15. I understand Auction Committee decisions are final. I understand I can only auction one item. (One animal or one project)

I plan to auction one: _____ Rabbit _____ Poultry _____ Other/describe
 _____ Sheep _____ Swine
 _____ Steer _____ Horse

I understand that it is my responsibility to solicit at least two potential bidders. I also understand that I am required to assist with the set up and clean up of the auction even if my auction item is non-livestock.

Code of Practice & Behavior Statement

I believe that my participation in the 4-H program should demonstrate my own ability, knowledge and skill. I will do my own work and only accept advice and support from others. I certify that my project has been cared for and maintained by myself and my immediate family during the required tenure of ownership. My project has not been cared for by a professional fitter or maintained at a professional fitter's facility.

For Horse and Pony projects only: I understand that I should be the only one to fit and train my animal on the show grounds. I can however accept physical assistance with tack, equipment and appointments during the show by my immediate family members or project leader.

I will not use abusive or questionable techniques in the feeding, fitting and showing of my animal(s). I will not resort to fraudulent, illegal or deceptive practices when fitting them for the show. I also will not allow my parents, my instructor or any other adult to employ such practices to my animal(s).

I have read, understand and agree to abide by the General Rules and Regulations (pg 6) and the General Livestock Rules and Regulations (pg 9) in the Peoria County 4-H Show Book. I also have read and agree to abide by the Livestock Department Rules and the Health Requirements for the specific project area(s) I will be exhibiting in. I ask that my parents and/or instructor of my project not break the rules or make exception on my behalf. I wish for my project to be an example of how to accept what life has to offer – good or bad – and how to live with the outcome.

I realize that I am responsible for following the rules and accepting the consequences.

I will respect other people's property at all times.

I understand that there is a 4-H code to follow and that I represent 4-H, Peoria County and my 4-H Club with my behavior. I will make attempts to not swear, smoke or drink (alcoholic beverages) and will conduct myself in a becoming manner at all times. I understand that repeated violations may result in my being denied the privilege of continuing the show.

I will show good sportsmanship.

For Horse and Pony project exhibitors only– I will ride safely at all times.

I will care for my animal(s), my equipment and help keep the show area neat and clean.

The Livestock Superintendent(s) and/or Extension staff will deal with violations of any of the General Rules or General Livestock Rules, specific Livestock Department Rules and Health Requirements stated in the Peoria County 4-H Show Book. I understand that the decision of the department Superintendent(s) and/or Extension staff will be final. Penalties could include losing the right to continue the show for the current year, losing ribbon(s), premium(s) or trophy(s) and losing the privilege to auction for the current year.
