Share your 4-H club service projects!

We know clubs are doing amazing service projects. The state 4-H office wants to share your amazing stories. It's simple to tell your story:

- Go to go.illinois.edu/4Hservice
- Tell us a little about your project.
- Add a picture if you have one.

Your stories will be collected and shared back on the State 4-H Website! If you've already done a service project this year....

Great, go and report anything you've done since September 1, 2018.

Raise Your Hand... yes, again!

The friendly competition across the nation is back April 1 – May 15. Look for more news across all our 4-H social media channels.

Tell your story. Win \$50

Everyone has a 4-H story. Now, you can win \$50 for telling yours! Winners statewide will be selected and their 4-H story used in 2020. Here is everything you need to know.

- Your video should relate to one of these topics:

- A parent or friend can record you—you're not being evaluated on the video but on your 4-H story. Of course, the more creative the video content, the better your chance of winning.

State Fair News

New in 2019

Extension office will no longer sell parking passes in advance.

Families should plan to pay for parking when they arrive. This will allow you to choose where you want to park (either at any of the private/non-profit sponsored lots to the right of the fairgrounds road or in public lots on the state fairgrounds). The change was made to make it easier for families in case flooding closes some lots.

Families can still purchase discounted entry tickets in advance at SOME Extension locations. As always, livestock exhibitors must purchase their passes when they make their livestock exhibit entries.

Entry deadlines approaching

Illinois State Fair Junior Horse Show—June 1

The deadline to enter the Illinois State Fair Junior Horse Show is June 1. The deadline to enter the Illinois State Fair Junior Livestock Show is July 1. The show is open to current Illinois 4-H and FFA members. 4-H membership is 8 to 18, thus youth who were 19 and older on Sept. 1, 2018 and too old for 4-H can only enter as FFA alumni. Your entry forms **MUST** be signed by either the county 4-H office where you are a member or by your local FFA instructor who must verify your membership.

4-H Poultry Judging Contest

The Illinois 4-H State Poultry Judging Contest will be held Wednesday, Aug. 7 immediately following the State Fair Junior Poultry Show at about 4:30 p.m. in Building 105 of the State Fairgrounds in Springfield.

The four top seniors (age 14-18 on Jan. 1, 2019) will compete as the Illinois team at the National 4-H Poultry and Egg Conference in November. Registration begins at 4. Check out the state 4-H website on the Events page for all the details.

Understanding 4-H premiums

In the past, the Illinois Department of Ag has provided funds to local Illinois 4-H members in the forms of premiums (cash prizes) for participation in 4-H shows and exhibitions. We currently have no guarantee that those funds will be provided. We treasure each of our 4-H families and know that you make a financial investment in your 4-H project work. We hope you continue to take pride in your 4-H learning and continue to participate fully in the 4-H program. As you are aware, we have no control on the actions of Illinois government.

Get your poultry tested

The Illinois Department of Agriculture is again enforcing a clear pullorum test for all 4-H and county poultry in shows lasting longer than one day.

The rule was suspended in 2018 due to a shortage of antigen. Be sure to allow adequate time and consult with your local veterinarian. This rule does not apply to waterfowl that normally swim, such as ducks and geese, per the county exhibition guidelines. 4-H and FFA shows lasting only one day are also exempt.

2019 Peoria County 4-H Show Books are ready!

The 2019 Show books are printed and available. If you do not already have one please check with your leader. There will be one per family. Be sure to read your show book for rules, deadlines and new project exhibit descriptions. Many projects will have requirement changes so be sure to look up all of your projects and read the requirements carefully. Each department has Superintendents listed and they are available to answer questions about classes in that department. It is also available online at:

<http://web.extension.illinois.edu/fmpt/peoria4h>

Online ethics certification required for everyone taking 4-H animal projects

All 4-H members enrolled in an animal project area are required to complete the online **Quality Assurance and Ethics course** one time in order to stay enrolled in an animal project area.

The certification must be done if you are enrolled in one of the following projects: beef, dairy, cats, dogs, goats, horses, poultry, rabbits, sheep, and swine. Members who don't complete the certification before the show will be removed from the project and not be allowed to show. Anyone who has already taken the certification does not need to retake the test. The local office has a list of those already certified. Go to go.illinois.edu/4Hqaec. **This rule applies to 4-H members who exhibit live animals AND poster exhibits.**

NOTE: The state 4-H program is reviewing a new program which may replace our current quality assurance and ethics program, but no changes will take effect prior to Sept. 1, 2019.

You be the judge...

Illinois 4-H State Livestock Judging Contest
