

Illini Pork Premiere Program

Illinois Pork Premiere Requirements

1. To be eligible, pigs will have to be farrowed **on or after February 10, 2021**. Both purebred and crossbred pigs are eligible.
2. Each exhibitor may nominate a maximum of twenty-five barrows at the time of tattooing. Pigs must be castrated before they are tattooed. Place animal tattoo number next to the Box on the inside of the ear.
3. Barrows must be nominated, ear notched, and tattooed with the Box tattoo (identical to that used for steers and lambs) **before they are 35 days old**. Pigs cannot weigh more than the equivalent of 1.0 pound per day of age when tattooed. **In addition, all pigs must be tattooed by April 15, 2021.**
4. The tattooing will be supervised by an Extension Employee, an Agricultural FFA Advisor, or a designated volunteer. Nomination forms should be copied in triplicate – one for the exhibitor, one for your county Extension Office, and one sent to:

Dan Jennings, State 4-H Livestock Educator
University of Illinois Extension
1100 E. Warrenville Road, Suite 170
Naperville, IL 60563.
The exhibitor's copy should accompany the animals to the scale at the 2021 Illinois State Fair.
5. If premiere barrows are properly nominated, ownership can be transferred to purchaser for exhibition as long as ownership deadlines are adhered to.
