We believe children can grow when they are surrounded by people who are cheering for their success. We encourage children to be themselves by exploring what's interesting to them and choosing a path that leads to happiness. Through 4-H, young people complete hands-on projects in areas like health, science, agriculture and citizenship in a positive environment when they receive guidance from adult mentors and are encouraged to take on proactive leadership roles.

Begin your 4-H adventure today! To join a club or to learn more about 4-H, contact Reed Capps at reedc2@illinois.edu or (618) 443-4364.
