

III. PARTICIPATION IN 4-H PROGRAMS

For each year, record the month you participated in each of the programs. The column “where done” refers to where you participated in the program. “Club” refers to what you did on your own or in a program that several or all of your 4-H group participated in. “County” refers to programs offered on the county level. “Multi-County” refers to programs offered for two or more counties. “Regional” refers to programs offered by an Extension Region.

Extra work in a program can be recorded in a written summary. These summaries can be in narrative or outline form. If you prepare a written summary, place an asterisk (*) in the appropriate column and attach the summary to the back of this record.
