## Attention 4-H Clubs...

**DON'T FORGET!** Each 4-H club that maintains a treasury or holds financial assets must submit the two page Illinois 4-H Club Annual Financial Statement form along with the Illinois 4-H Treasurer's Record Book to the Extension office at the end of the 4-H year.

A fiscal review committee should be appointed annually to review the financial records of the club. The fiscal review committee should consist of three individuals who are not involved in the expenditure of funds.

The suggested make-up of the fiscal review committee is a parent, leader, and member of the club. The individuals on the fiscal review committee shall not be signatories on the bank account, nor shall they be related to those with signature authority.

As clubs elect officers, consider electing a fiscal review committee as well to conduct the end of year audit of the financials.

The link to the QAEC training is: <http://web.extension.illinois.edu/qaec/>
