Sign Up

Log In

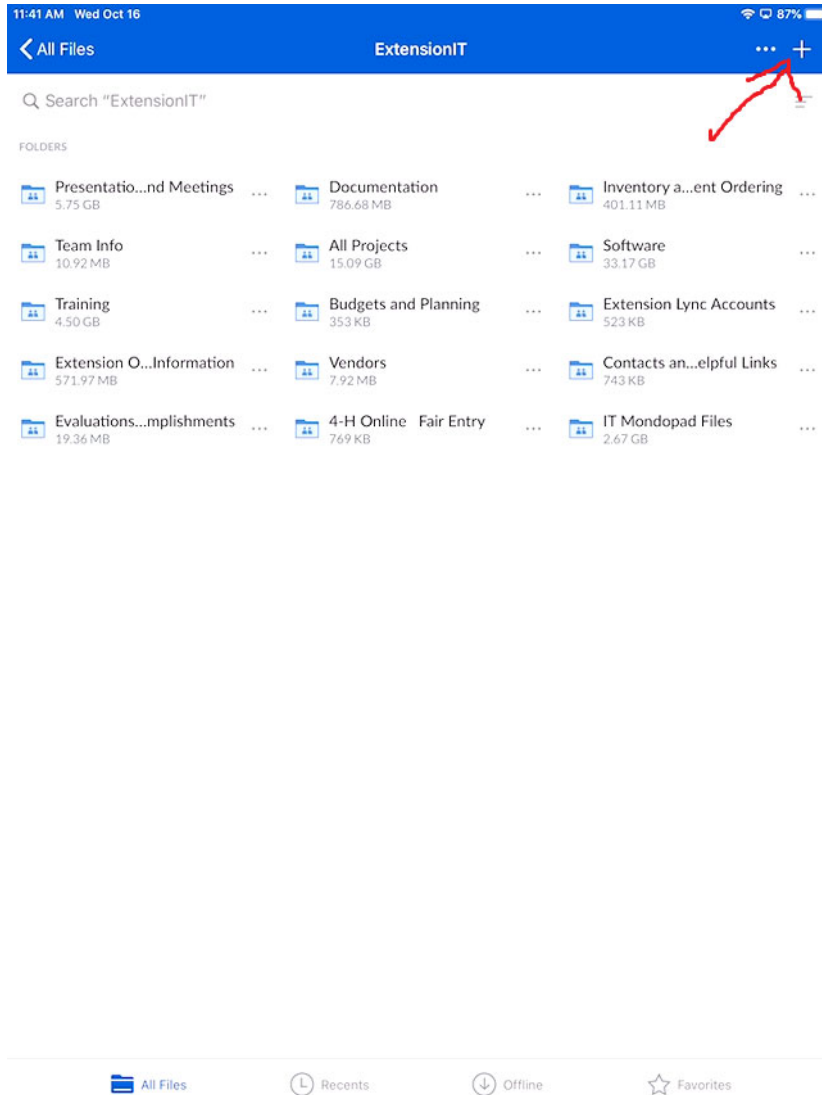

Enter your @illinois.edu address in the email and choose Next

You should be directed to our Login screen. You will likely need the Two Factor Authentication to complete the login process.

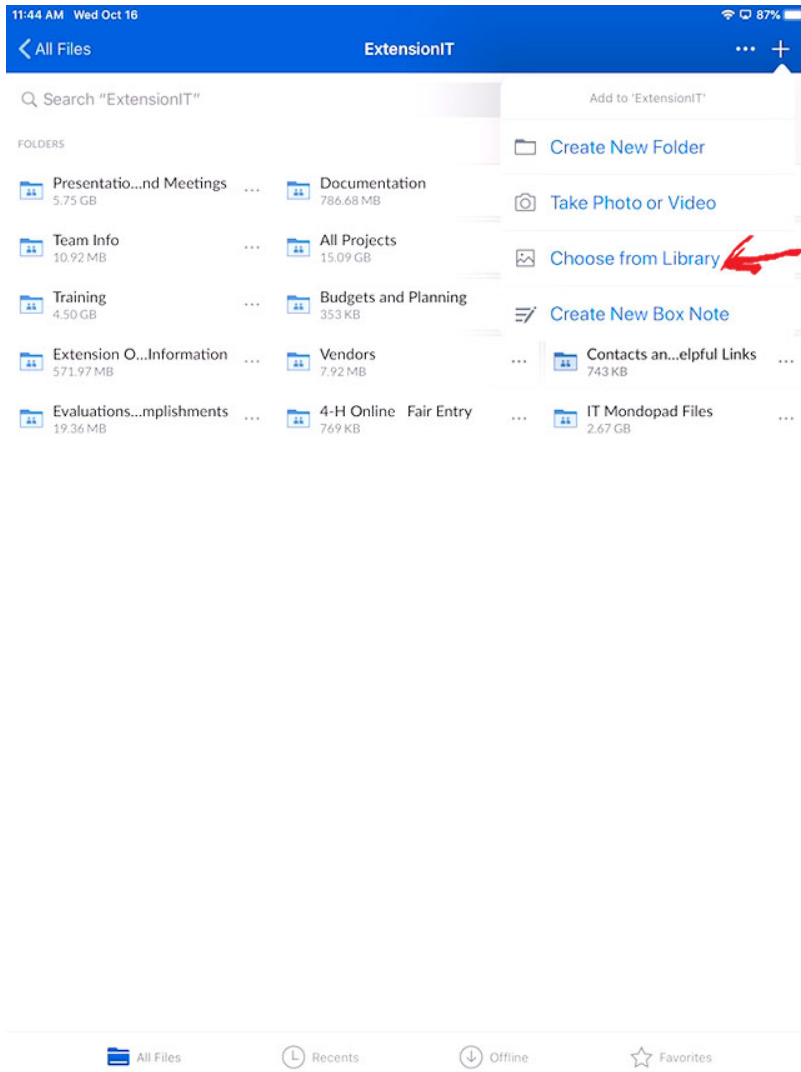

When you are logged in you will see a screen with all of your Box Files.

Uploading Photos from iPad to Box

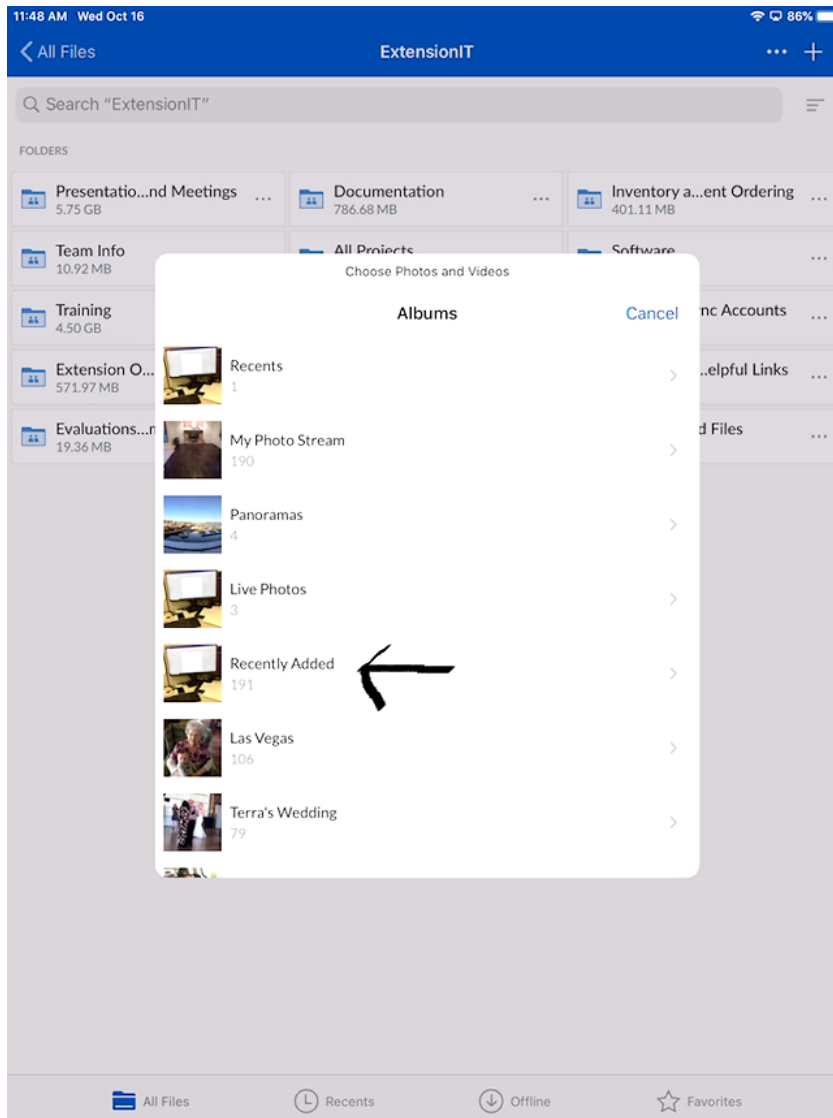

From the screen showing all of your files, click on the  in the upper right corner.

Select Choose from Library

You will see a list of photos on your iPad. The folders with pictures you just took will most likely be in the folder Recently Added

Tap on the Picture(s) you wish to upload and Choose Upload.
