EX: 4-H Foods Workshop; 4-H Fair Orientation Program; 4-H Camp; Traveling Soccer Team; Speech Contest; School Play; VBS;

[illegible]

4-H Story - write your story in space provided below

Provide a story/extended response below about your year in 4-H. Tell what you learned this year and whether you were able to meet your goals listed on the first page. Tell what you liked best about your year in 4-H and what you'd like to do next year. MINIMUM OF ONE PARAGRAPH (4-5 sentences)

EX: This year I learned to plant and grow vegetables in our garden. I got to plant carrots, potatoes, sweet corn, and green beans. I was really excited about the sweet corn because it is my favorite vegetable! Some of the hot days I had to be sure to go out and water the garden. I think I met my goal of learning to plant and care for vegetables. I liked showing my vegetables at the Fair the best. Next year I hope to plant some different things in my garden and might try strawberries.

This year I learned to raise a pig, grow vegetables, and make some neat art projects. I think I was able to complete each of my goals.

I had a small garden and planted corn, green beans, and potatoes. The sweet corn was my favorite because I love corn on the cob! I got a Yorkshire barrow from my uncle and learned to wash him and feed him. I also got to show him and he was a little frisky in the show ring. I got to make different art projects and used Sculpey clay to make a dinosaur. It was pretty easy to use and it turned out good.

I like showing my projects at the Fair best and also when our club had a bowling party. I also did a SPIN club on Robotics in the summer which was fun. The other thing I liked a lot was the county 4-H trivia contest.

Next year I hope to plant some different vegetables in my garden and try some different art projects. I also want to go to 4-H Camp.
