

## Caught at Your Best Award

May win one time.

This award is for a 4-H member who is “caught” doing something exceptional throughout the 4-H year. The activity that 4-H member is “caught” at doing could be anytime during the 4-H year and at any event. For example: a club meeting, the county fair, or other county events and workshops. Selection is not made on the basis of outstanding accomplishment in project work or record keeping, but rather an individual’s attitude of helpfulness and encouragement to others. Those people who do things, not for the recognition it will bring them, but for the knowledge that they are helping others and the person satisfaction they get from working for a cause.
