FUN IN 4-H!

4-H empowers young people with the skills to lead for a lifetime. Based on their interests and guided by adult mentors, youth develop their own pathway in 4-H. There are hands-on, learn-by-doing opportunities for everyone!

JOINING A 4-H CLUB

4-H clubs are open to youth ages 5-18 and generally meet monthly. During these meetings, youth share their project work and plan community service activities.

Youth may join a community club, where they will have a chance to work on a wide range of projects, or a SPIN (special interest) club focused on their interests. Please email the leader for exact meeting times and locations.
