

4-H Veterinary Science Award Application

Sponsored by the *Auxiliary to the Illinois State Veterinary Medical Association*

This application must be submitted to your local Extension office for submission by their stated deadline in order to meet the early January deadline for State 4-H Award applications. Please check with your local Extension office for specific dates.

Applicants must meet the following criteria in order to submit this application:

- Be between the ages of 15 and 18 (inclusive) by September 1 of the *4-H* year in which they are applying
- Be currently enrolled in the Veterinary Science project; and
- Have been enrolled in the Veterinary Science project **at least three years** (current year included).

Once a 4-H member has received this award, they may not re-apply. The winner will receive a \$200 cash award; presentation of the award will be determined at a later time. The state winner will be invited to the annual 4-H Recognition Event to be recognized. *(Winners will need to complete required University paperwork before the check may be issued.)*

This application must be typed, except for signatures.
