The Star Club Member Award is a unique award intended to encourage youth to keep trying their best. This award is reserved for a child who may not be receiving other types of 4-H medals and awards, but always tries to do his/her best on projects and at club meetings/activities. Nominees should have at least completed the 5th grade to be nominated. Club leaders should nominate any deserving members from their club. Use a separate form for each member nominated.

Instructions: Club leaders should nominate any deserving member from their club. In the space below write why this child is deserving of this award.
