# Step by Step! Creating a New Household Account!

Welcome to ZSuite! Let's create a new account!

1. Go to <https://4h.zsuite.org/> Click the 'Sign Up' link on the ZSuite homepage.

Check out the State 4-H website for a how to video!

2. Fill out the popup window to establish a new household. Please Note: Each Household Account has a 'Primary' Account. This Is typically the Primary Parent account. The Primary Parent account has some administrative functions that club member account does not. This is why we ask that you enter a *4 digit Pin Code*. This assures our parents that no unauthorized access to the Primary Account occurs.

If you need help during this process utilize the ZSuites 24/7 Live Chat function! This can be found in the bottom right hand corner of your screen!
